MEET THE TEAM HERE TO UTILIZE THEIR EXPERTISE AND YEARS OF EXPERIENCE TO GUIDE YOU THROUGH THE PLANNING PROCESS!

HANNAH CLUCK, DIRECTOR OF SALES

I started my career in the event industry in the corporate world, working on trade shows and corporate experiences. When I saw that Jay's was hiring, I jumped on the opportunity to enter the catering world. After years at Jay's as an Event Specialist and over 200 weddings, I am now the Director of Sales and have been involved in the opening of most of our venues, establishing some of our largest accounts, and managing our amazing sales team.

The one piece of advice I'd lend to anyone planning their wedding is: Enjoy every step of the process! Your wedding is just one day, but there is so much that goes into that day that is just as fun and memorable. Your engagement is a short period of your life, and this will make it seem so much richer!

ARIELLE MARTE, EVENT SPECIALIST

Growing up, always being on the go and my travel experiences sparked my love for the hospitality industry. Through college, I worked both as a server for a catering company and with a wedding coordinator who spoke nothing but praises about Jay's Catering, both of which ignited my passion for catering specifically. When I saw that Jay's was hiring, I jumped at the chance to apply and happily accepted the position of Event Specialist.

The one piece of advice I'd lend to anyone planning their wedding is: Don't be afraid to lean heavily on the people around you to ask for help and advice. Your vendors, your family, and your friends are all here to help you turn your vision into a reality! However, never forget that at the end of the day, the only thing that matters is your happiness.

SAVANNAH SCHLOTTACH, EVENT SPECIALIST

From a young age, I always knew I wanted to pursue a career in the event industry. What started as an obsession with wedding movies like Father of the Bride and My Big Fat Greek Wedding as a child soon led me to organizing and planning a variety of events as an adult.

While attending Cal Poly Pomona, I joined the Chi Omega sorority which provided me with countless opportunities to hone my skills and gain invaluable experience. Each event I planned taught me something new about the art of planning, and through these experiences, I realized that event planning was my true passion.

The one piece of advice I'd share with someone planning their wedding is: Focus on what matters most to you as a couple. Prioritize the moments that reflect your love, and remember that the joy you share is what your guests will remember most.

SELENA LOPEZ, EVENT SPECIALIST

I moved to Huntington Beach when I was 9 years old, and have been here ever since! My pursuit of a career in criminal justice led me to Cal State Fullerton where I began my education in Sociology. Soon after, I had a change of heart and ended up with a Bachelor's in Communications with an emphasis in Entertainment and Tourism. From a young age and throughout college, all things pointed to event planning, I even had family members who had worked at Jay's Catering. After college, I had my eye on a job at Jay's. I checked the Jay's website every day hoping something would open, and when an Event Specialist position became available, I jumped at the opportunity!

The one piece of advice I'd lend to anyone planning a wedding is: Remember the day is about you and your spouse, so do what feels right for you both, not what everyone else or tradition tells you to do.

BRITTANY KLEIN, EVENT SPECIALIST

My passion for the industry developed through many jobs in the hospitality world (including customer service experience with a major 5-star hotel) & my experience working with multiple wedding coordinators and in a wedding dress salon after graduation. Together, my background in hospitality and desire to organize beautiful gatherings led me to a career in catering and events – I was drawn to the catering world and Jay's Catering to further pursue my dream!

The one piece of advice I'd lend to anyone planning their wedding is: Not to forget that it's worth all the hard work that comes with the planning process! When you are celebrating and enjoying delicious food with your friends and family, you'll have those memories forever!

SAMANTHA MCLAUGHLIN, EVENT SPECIALIST

I built my career in the food and hospitality industry from the ground up. Through years of experience, including serving as a restaurant manager alongside a well-known Orange County chef, I developed a passion for catering, fine dining, and creating memorable guest experiences. My love for cooking and event planning ultimately led me to Ellie's Table and Jay's Catering where I played a key role in shaping the Ellie's Catering division into the thriving operation it is today. With this extensive experience, I have also transitioned into Jay's weddings where I work closely with brides and grooms to curate their dream wedding menus, helping bring their vision to life and ensuring every detail of their special day is thoughtfully planned.

I love being able to take the stress away from my clients when assisting in their special events. Helping new and returning customers brings me joy and I can't wait to work with you!

PATTI ROBLEDO, EVENT SPECIALIST

Growing up I watched my parents entertain guests and frequently traveled with them across the world. These experiences developed a passion in me for fine cuisine, wine, and planning parties. For 10 years I worked in guest services at major hotels ranging from Club Med in the Bahamas to The Ritz Carlton and The Westin. When I started at Jay's I worked as an Event Captain on the floor at events, and quickly grew into my current position as an Event Specialist where I have loved using my vast knowledge of our Jay's food and experience with cuisine around the world to assist clients in creating the perfect menu for their unique tastes and experience!

The one piece of advice I'd lend to anyone planning their wedding is: Treasure the moment & whole wedding planning process!

EMILY VARELA, EVENT SPECIALIST

With my Bachelor of Science in Business Administration from San Jose State University, I spent most of my time in college diligently working in the current industry I reside. The pandemic, however, prompted a slight shift in my career path leading me back home to Southern California where I began working at Jay's in an admin/receptionist role. My go-getter attitude and work ethic always kept me intrigued by the event specialist role, and that interest eventually led me to getting hired on as a Jay's Catering Event Specialist.

One important piece of advice I would give is to not stress over the small things and remember to enjoy the process. It's easy to get caught up in the fine details. The important part is to stay focused on why you are celebrating, take time to enjoy the small moments, celebrate milestones along the way, and don't get too caught up in trying to make everything perfect.
