

Dear Educators,

For the 2026 school year, we are again offering the **School Group Gift Shop List** for gift shop purchases on the day of your field trip. Our Gift Shop is very popular with your students, and this program has been designed to eliminate the time needed for your students to shop, and to give parents the opportunity to assist their students with purchasing decisions.

1. **First**, make copies of the School Group Gift Shop List and send it home with your students. Have the students return the form and the money to you ***before*** the day of your field trip.
2. **Second**, on the day of your visit, turn the forms and money in at the Gift Shop when you check in. Our staff will fill the orders while you enjoy the zoo & museum.  
**NO PERSONAL CHECKS PLEASE!** Either cash for each order or a school check for the entire amount is acceptable.
3. **Third**, before departing, stop by the Gift Shop to pick up your students' purchases. We will have them bagged individually with the student's name on the outside of each bag for you to pass them out at your convenience.

As always, we hope this program will make this year's field trip easier for you. If you have any additional questions or comments, please feel free to contact me.

Thank You,

**Danita Bosquez**
