

Hi Friend,

We're so grateful that you've joined **FIGHT Ministries** in the stand against child sex trafficking.

In the Dominican Republic, thousands of children are vulnerable to exploitation due to extreme poverty, limited access to education, and lack of citizenship. Teenage girls are often targeted by traffickers—a devastating reality that denies them the basic rights and freedoms they deserve. **By joining our community, you are part of a solution that offers a new future to survivors.**

At FIGHT Ministries, we believe in restoring hope for children who have been through the trauma of human trafficking. That's why we provide a safe home, education, counseling, and recovery programs rooted in faith. Since our refuge opened in 2022, we've had the privilege of walking with **20+ brave girls** who have begun their journey toward healing.

Together, we can continue this life-changing work to provide more children with the care they need to recover, grow, and thrive. As a part of our community, you'll receive regular updates about the girls in our home, upcoming events, and ways you can support the mission.

Thank you for standing with us in this FIGHT.

With gratitude,

Phyllis Brady
