Coverage, deductibles, and claims payment vary depending on vehicle age, mileage, preexisting conditions and plan purchased. Routine maintenance is required at your expense along with repairs not covered by your contract. Deductible may apply. Rental reimbursement provided for covered breakdowns up to a max of \$50 per day and a max of \$250 per breakdown. See contract for more details.

Customize Your Coverage With These Additional Options:

COMMERCIAL USE Available with surcharge.

Provides coverage for vehicles used for the business purpose of providing ride-share services (Uber, Lyft, etc.), farming or ranching, pushing, pulling, or hauling material of any kind, route work, job site activities, service or repair work, or has been issued commercial plates in the state in which it is titled, or is used for a commercial enterprise. Vehicles used commercially for snow removal must be equipped with factory installed or factory authorized snowplow package. Usage must not exceed manufacturer's ratings and/or limitations.
