Just the other day, he dropkicks an old man yōkai and punched out a pervert when he left the train.[8][9] He is known to be the Middle School's proud prodigy and helps Genya with his homework.[10] Along with his brother Yuichiro, he frequently comes to the Ubuyashiki Mansion to play shogi at Kagaya's invitation.[11] Nezuko Kamado: Younger sister of Tanjiro. Both he and his twin are very popular with the girls and more athletic than they realize. The two sometimes show up on TV because they're the closest to shogi pros in the area. Yuichiro's brain works fast and he handles everything with ease, but has a habit of freezing up when he gets surprised.[8][9] Along with his brother Muichiro, he frequently comes to the Ubuyashiki Mansion to teach shogi to Kuina and Kanata at Kagaya's invitation.[11] Takeuchi: Yushiro's friend who asks for his help with his homework.[13][11] High School (高等部)[] First Year - Bamboo Shoot Class (筍 (たけのこ) 組 (ぐみ) , Takenoko gumi?): Tanjiro Kamado: His student number is 12. He is the older brother of Nezuko. He is known as a bright, energetic boy. Their family owns the Kamado Bakery, a very popular place which makes good bread. So he makes thousands of them by waking up at 3 A.M. every morning. He would go to school by train and once caught Enmu doing perverted things on the train. Another time, on his way back home he caught the Swamp Demon stealing girls' clothes. He would visit Aozora Diner with Nezuko when they get hungry and met a gluttonous girl there who ate all the food available.[12] He is someone who continues to violate the rules at school,[13] for example by wearing hanafuda earrings that are his family's memento. He's good at P.E., Civics, History and Home Economics. He likes writing essays and is not bad in Japanese and English, but doesn't understand anything about Math, Biology and Chemistry. He is not good at Arts and Music, but enjoys those classes.[15] Zenitsu Agatsuma: His student number is 1. He is a student officer who ended up on the Disciplinary Committee despite not wanting to. Does uniform checks every day by the school gate while being terrified of delinquents.[14] Zenitsu has a crush on Nezuko and is impressed by the cute looks she has when biting bread.[12] Because of his blonde hair, Giyu would often punish him for violating the rules. Zenitsu lives with his foster parent Jigoro,[16] and foster brother Kaigaku. He is good at P.E. and music, relatively good at English and Japanese, and enjoys History and Civics. He is bad at biology, but tries his best for Kanae-sensei. The rest are too difficult for him and because he doesn't like the teachers for those classes, he isn't motivated to learn them, especially Arts.[15] Inosuke Hashibira: His student number is 22. He is a topic on TV and places as a result of him being raised by boars. He lives with Hisa, and exclusively brings her bento to school. He doesn't wear shoes and sports short-sleeved shirts all year round.[17] He is good at P.E. and sucks in every other class, causing his name to be coming up at every school staff meeting. The teachers wish he would study more. Obanai believes Inosuke has a sharp focus and he would be able to do anything if he puts his mind on it, but Sanemi is convinced that he can earn a good grade if he is strapped to a desk for extra lessons.[15] First Year - Kabosu Class (かぼす組 (ぐみ) , Kabosu gumi?): Genya Shinazugawa: 16 year old. He is the Sharp-shooting Club's ace, and despite his hair breaking school rules, they let him keep it as a special permission since he wouldn't be able to score bullseyes with a shaved head. This is because he uses his hair to read the wind. He is the younger brother of math teacher Sanemi. He's not good at math, so Sanemi always yells at him. He once won 1st place in a competition but his brother stormed the place and ripped his certificate apart, all while screaming "Who cares about this shit?! Learn your damn math!!" making Genya trembles on the stage. His big body and angry demeanor led to him being misunderstood and friendless. This changed after the competition incident with his brother, to which the students sympathized with Genya and became friends with him.[18] He is very awkward around girls.[5] First Year - Hydrangea Class (紫陽花 (あじさい) 組 (ぐみ) , Ajisai gumi?): Koyuki Soyama: 16 year old. From the time they were kids, she has been promised to marry Hakuji. She is his neighbour and their parents agreed to it. They are known as the "Soyama couple". Her nickname is Princess. She is in the Handicrafts Club.[19] Second Year - Violet Class (菫 (すみれ) 組 (ぐみ) , Sumire gumi?): Kanao Tsuyuri: She was adopted by the Kocho family, because she has no relatives. They look similar, so people think they are actual sisters. One of the three beauties of the Academy. She has very good motor reflexes, so she's busy being scouted and asked to help out in clubs, but she always prioritizes the club she's already part of: the Flower Arrangement Club.[20] Ume Shabana: 16 year old. She's the younger sister of Gyutaro. Together with Gyutaro, she is known to be the greatest delinquent siblings of the Academy and frequently cause troubles. She's very beautiful, so she has lots of fans and receives lots of gifts. She once set a record of being confessed to 20 times in one day. One of the three beauties of the Academy.[21][9] Second Year - Persimmon Class (柿 (かき) 組 (ぐみ) , Kaki gumi?): Aoi Kanzaki: Member of the Flower Arrangement Club. She's also friendly with the Flower Arrangement Club, because their clubroom is close.[6][9] She continually receives invitations from various entertainment companies. Easily won the title of Miss Kimetsu every year. Strange rumors were circulating about her, such as creating dangerous, odorless and tasteless drugs, in the pharmaceutical research club, many teachers did not even dare to raise their heads in front of her, and that Tomioka could be one of them. A small minority of people gave her a nickname: Poison Princess. [41] She excels in both academics and physical education. She is well-liked by her juniors, especially Naho, Kiyo and Sumi. Her only flaw is her lackluster naming sense.[23] Gyutaro Shabana: 18 year old. He's the older brother of Ume. Together with Ume, he is known to be the greatest delinquent siblings of the Academy and frequently cause troubles. Owns a motorcycle and often butts heads with Tanjiro's group.[21][9] Third Year - Eboshi Class (烏帽子 (えぼし) 組 (ぐみ) , Eboshi gumi?): Hakuji Soyama: 18 year old. [26] Yahaba: President of the Archery Club. He's the son of a tofu shop owner.[22] He is a spy for Kibutsuji alongside Maru Susa and Kaigaku. [26] Staff[] Management: Kagaya Ubuyashiki: Director. He comes from quite the rich family, so besides the academy, he’s involved in many other enterprises. He's particularly skilled at networking, so whenever he takes something on, there are plenty of people willing to put effort into seeing it through. The wounds on his face are from a random passerby assailant who threw dangerous chemicals on him. People say this might be because he bares such a resemblance to Diet Member Muzan that they might be mistaken for twins. He works against Muzan with the help of good politicians who graduated from Kimetsu Academy. Lives at Ubuyashiki Mansion.[1] Amane Ubuyashiki: Principal and Kagaya's wife. She really loves kids and is passionate about education, but because she tends to be a bit expressionless, the students are a little afraid of her. Since there's such a mysterious air to her, some of the students worship her.[1] Nakime Otogawa: Vice principal. She's one of Muzan's spies at Kimetsu Academy. On bad terms with Amane.[1] Teachers: Giyu Tomioka: Physical Education (P.E.) teacher and guidance counselor. He's such a spartan that several complaints have been issued about him from the PTA, and the Board of Education might even have to make a move.[14] Giyu is Tanjiro's school counselor and known at school as the "man who never smiles".[12] He knows Sakonji, Sabito and Makomo since before he became a teacher. Before Tanjiro and Nezuko entered high school, he and Nezuko were almost lost in the snowy mountains behind the school when they were picking vegetables and they were rescued by Giyu.[27] Kyojuro Rengoku: History teacher. Because of his passion of teaching and his love of history, he began hurling his students and starting cavalry battles during class. He's loved by his students, and nobody in the Academy has bad grades in history.[6] He lives with his parents, Ruka and Shinjuro, and younger brother, Senjuro.[9] Tengen Uzui: Arts teacher. The students call him "Gangsta Sensei" and he's known for yelling that "art is an explosion" before then blowing up the classroom with dynamite. When he tried to do that, Tanjiro would throw water on Tengen to prevent that from happening.[12] It's rumored he was spotted in a fight in Kabukicho during his high school years, and that he's probably good at fighting since he was once a gang leader.[28] Gyomei Himejima: Civics teacher and first year Bamboo Shoot class homeroom teacher. Since he's so muscular, students were afraid of him at first. But because his personal belongings generally have cats on them, everybody quickly became aware that he's a nice person who likes cats. There have been many incidents of people calling him Dad by accident.[19] He enjoys playing a Shakuhachi as a hobby.[10] Sanemi Shinazugawa: Maths teacher. He always keeps his collar open, because he feels stressed when it gets stuffy around his neck. He never buttons up for important family celebrations. When a student says nobody needs math in the future, he threw them out the window like in Smash Bros. Incident. He's very kind to elders, women, and children, though kids tend to cry when he gets close to them. He talks to Kanae a lot.[18] He likes eating ohagi and would request the school store to stock up on it, enlarging the letters considerably every week.[29] Kanae Kocho: Biology teacher and flower arrangement club advisor. She is a graduate of the Academy and has been one of the three beauties of the Academy for three years straight. She is popular among boys and girls. Anyone who speaks bad of her actually gets embarrassed to talk to her in her face. She is very gentle, but also mysterious. She has been seen sticking talismans on walls and chanting something like "Rin Pyou Tou Sha...", so people think she may have spiritual powers.[20] Kyogai: Music teacher. He primarily uses a tsuzumi drum when he holds class. He's often made to do long songs and orchestral pieces from noh and kobuki dramas, so his students aren't able to sing modern songs properly.[22] He is emotionally unstable and would complain about his students being tone-deaf. Tanjiro would often try to comfort him.[12] Obanai Iguro: Chemistry teacher. He has a severe allergy to women and can't stop his heart from palpitating and breaking out in a cold sweat merely because a woman comes near him. To protect himself from women he always wears a mask. It is said that he keeps a snake around him in order to avoid contact with women. He began working at Kimetsu Academy shortly after Mitsuri graduated.[30] He often goes to Aozora Diner, but only ever orders tea. He would frequently ask if the "girl with the braids" (Mitsuri) is coming over. When students fail tests, they are crucified to a post and shot at with bottle rockets.[19] Hotaru Haganezuka: Home Economics Teacher.[9] Rumors say that he is weak against side tickling. His favorite food is mitarashi dango.[24] Goto: English teacher. He is modest but serious and is well-liked by his students. He likes eating castella's.[31] Tamayo: Health teacher. Works in the High School's department's infirmary. Yushiro once told her that his chest hurt while he was looking at her, and she just said "Oh my, that's bad."[13] She appreciates Yushiro's help, but is worried about him skipping class to help her.[11] Others: Ghosts[] Due to its old age, Kimetsu Academy is known to be inhabited by ghosts, the yōkai, which are frequently spotted within the High School Department building during the night. Unlike other schools; Kimetsu Academy maintains the tradition of a night watch, where the designated High School teacher on duty is responsible for eliminating these supernatural beings upon sight. The teacher places a talisman on the yōkai's head and performs a Kuji kiri gesture, combined with a powerful demon annihilation spell, to accomplish this task. This practice is kept from the students.[7] Gyokko: Also known as Biology Room Vase. The number of people who have witnessed the yōkai of the vase continue to increase. They say that if you ignore his unintelligible rants, he will bring out all his hands to tickle you. After Biology teacher Kanae took charge, the sightings and rumors came to an abrupt halt, which left people wondering if he was exorcised.[20] He often makes the "Hyo hyo!" sounds during his speech and announces he will drag people into his beautiful vase.[35]. Hantengu: Also known as Crawling Old Man in the Hallway. The old man who crawls around the hallways while crying fails to look like a human and constantly grumbles about grudges. When he sees people who are smaller than him, he lunges at them and steals their stuff. He has a swelling on his head, because Tokito from the junior high drop-kicked him.[20] He resents the middle schoolers for showing off their youthful spirit and demands they give them their youth or something valuable. He himself is able to split himself into the incarnations of his anger, pleasure, sorrow, and hatred.[7] Sekido: The manifestation of Hantengu's anger. He is frequently exorcised by the teachers. [7] When Muichiro kicks Hantengu on the head, he splits off and curses at Muichiro. [36] Karaku: The manifestation of Hantengu's pleasure. He is frequently exorcised by the teachers. [7] When Muichiro kicks Hantengu on the head, he splits off and curses at Muichiro. [36] When Gyokko makes a complicated piece of artwork to celebrate Hantengu's birthday, despite it not actually being his birthday, Zohakuten splits off and accuses him of using himself as inspiration.[37] Family members[] Hisa: Inosuke's foster parent whom he affectionately refers to as grandmother, lives with him. There's a rumor he's from the Ubuyashiki family line. He's always irritated because whenever he's trying to do something evil there's always someone who gets in his way. He believes this is all because Kagaya is paying people off, so Muzan has placed spies in many places to try to crush Kagaya’s network and finances. It seems he has a fan club.[42] Kokushibo: Muzan's secretary. "Kokushibo" seems to be an alias, and his real name and age are unknown. He's also been involved in several incidents, but because the evidence is insufficient, he has yet to be prosecuted. He has connections to some of the city's top officials. After greeting a woman with pink and green hair, he went missing afterward. Earlier at the crime scene, the voices of a man and a woman fighting were overheard saying "I had a feeling you were lying!" "Guh!!".[19][44] Enmu Tamio: Perverted railroad geek. The trains are often delayed, because of him. He uses a stolen camera and often does perverted things when he finds trains. An example is when he showed his naked behind and was caught by Tanjiro but escaped after being handed over to train attendant Saburo.[12] He is already convicted six times before. He doesn't reflect on bothering others, so the other railroad fans hate him. Actually, everyone hates him now. He has no girlfriend.[6] He believes he is not an exhibitionist. The reason he removes his clothes is so he can feel the train on his skin without clothes getting in the way.[45] Swamp Demon: Weird man who hangs out around Kimetsu Town and targets 16-year-old girls through pinpointing. Because he's often witnessed frequently and the incidents occur at the same time, he's become something of an urban legend. Tanjiro has so far deduced that he's not a triplet but is still pursuing this case.[17] One time, he was stealing the underwear of 16-year-old girls and was caught by Tanjiro who was on his way home.[12] Saburo: Train attendant. "Combined Junior and Senior High: Kimetsu Academy Story") is a spin-off universe in the modern world based off of characters in Kimetsu no Yaiba's main story. Characters[] Kimetsu Academy[] Elementary School (初等部)[] Second Grade Fourth Grade Kotetsu: His parents own Hyottoko Pizzeria where he helps out a lot.[3] He is friends with Muichiro and often goes to his house to play. He is very good at machines, knows about the workings of arcade hall machines[4] and owns a mechanical doll called Yoriichi Type Zero that can be programmed through a computer to move or stop moving.[5] Middle School (中等部)[] First Year - Autumn Leaves Class (紅葉 (もみじ) 組 (ぐみ) , Momiji gumi?): Naho Takada: She's working with Kiyo and Sumi to start a Pharmacology Club for the middle school.[6] Kiyo Terauchi: She's working with Naho and Sumi to start a Pharmacology Club for the middle school.[6] Sumi Nakahara: She's working with Naho and Kiyo to start a Pharmacology Club for the middle school.[6] Senjuro Rengoku: He is averaging in everything and loves to read.[6] Despite being scared, he loves watching horror movies.[7] Rui Ayaki: Became famous overnight because he won the string figure tournament. He even got a special article written about him in Kimetsu Town. His peculiar facial moles became a hot topic on the internet because they were cute.[6] He always goes to the school building at night to play string figure by himself. Suspected to have a sixth sense, he can sense a strange vibe coming from the High School department building.[7] Second Year - Taro Class (里 (さと) 芋 (いも) 組 (ぐみ) , Satoimo gumi?): Muichiro Tokito: Shogi Club member, and the younger twin of Yuichiro. Both he and his twin are very popular with the girls and more athletic than they realize. The two sometimes show up on TV because they're the closest to shogi pros in the area. Muichiro often has to act on Yuichiro's behalf with a quiet glance when something surprising happens, even though he looks subdued. Just the other day, he dropkicks an old man yōkai and punched out a pervert when he left the train.[8][9] He is known to be the Middle School's proud prodigy and helps Genya with his homework.[10] Along with his brother Yuichiro, he frequently comes to the Ubuyashiki Mansion to play shogi at Kagaya's invitation.[11] Nezuko Kamado: Younger sister of Tanjiro. She often has trouble waking up in the morning and her brother would carry her on his shoulders to school. She would visit Aozora Diner with her brother when they get hungry and once met a gluttonous girl there who ate all the food available.[12] She has a French bread in her mouth.[13] Makomo: Member of the Wind Instrument Club. She is friends with Nezuko and would often go out with

He died when Sanemi was young, making his wife work hard to raise her family.[39] Muzan's group[] Muzan Kibutsuji: Member of the National Diet and an evil politician who wants to take over Japan. There's a rumor he's from the Ubuyashiki family line. He's always irritated because whenever he's trying to do something evil there's always someone who gets in his way. He believes this is all because Kagaya is paying people off, so Muzan has placed spies in many places to try to crush Kagaya's network and finances. It seems he has a fan club.[42] Kokushibo: Muzan's secretary. "Kokushibo" seems to be an alias, and his real name and age are unknown. Although he's a secretary, he's so buff that he often gets mistaken for a bodyguard. There are rumors that he was a member of the American Special Forces, a master at Iaido, and that he killed a man with his bare hands.[42] He wears sunglasses constantly. Kamanue: Muzan's subordinate, often gets punished by Muzan with his punishment gadget.[24] Rokuro: Muzan's subordinate.[24] Mukago: Muzan's subordinate.[24] Wakuraba: Muzan's subordinate.[24] Others[] Mitsuri Kanroji: 19 years old, Kimetsu Academy graduate student. One of her artworks is a cat with big hands, bushy eyebrows and a protruding belly button. She's popular with the boys, but she hasn't noticed that. She really wants a boyfriend.[43] She would go to Aozora Diner and eat all the food available there.[12] She delivers pizza for Hyottoko Pizzeria as a part-time job.[9] During her time at Kimetsu Academy, she was banned from the school store due to the huge amount of food she would buy. Kyojuro was her former homeroom teacher.[30] Doma: Scam artist. "Doma" seems to be an alias, and his real name and age are unknown. Beyond fake marriages, he is a scam artist in various ways. He would scam people into signing contracts to buy something, but also set up a stall and act as a fortune teller. He is infamous to the point that he gets covered in special programs on TV and names himself "Happiness Advisor". He's also been involved in several incidents, but because the evidence is insufficient, he has yet to be prosecuted. He has connections to some of the city's top officials. After greeting a woman with pink and green hair, he went missing afterward. Earlier at the crime scene, the voices of a man and a woman fighting were overheard saying "I had a feeling you were lying!" "Guh!!".[19][44] Enmu Tamio: Perverted railroad geek. The trains are often delayed, because of him. He uses a stolen camera and often does perverted things when he finds trains. An example is when he showed his naked behind and was caught by Tanjiro but escaped after being handed over to train attendant Saburo.[12] He is already convicted six times before. He doesn't reflect on bothering others, so the other railroad fans hate him. Actually, everyone hates him now. He has no girlfriend.[6] He believes he is not an exhibitionist. The reason he removes his clothes is so he can feel the train on his skin without clothes getting in the way.[45] Swamp Demon: Weird man who hangs out around Kimetsu Town and targets 16-year-old girls through pinpointing. Because he's often witnessed frequently and the incidents occur at the same time, he's become something of an urban legend. Tanjiro has so far deduced that he's not a triplet but is still pursuing this case.[17] One time, he was stealing the underwear of 16-year-old girls and was caught by Tanjiro who was on his way home.[12] Saburo: Train attendant. One time, Tanjiro caught a pervert on a train and handed him over to Saburo, but Saburo lost sight of the pervert.[12] Keizo: Koyuki's father and Hakuji's father-in-law. He helped Inosuke fix his kite.[2] Kasugai Crows: Crows raised at the Kimetsu Academy that are intelligent enough to communicate on a human level.[2] Hand Demon: A custom-made Temari robot for children that Kagaya owns. Because it tends to break down and run out of control, he put it away in his warehouse. It has a switch on its back which allows the user to turn it off. Is noted to look like Tanjiro by Kanao.[48] Yoriichi Tsugikuni: An immensely strong part-time worker at an antique store, working with Sumiyoshi.[48] Sumire Kamado: The daughter of Sumiyoshi and Suyako.
