

NEXTUp Leaders

2027 Program

PROFESSIONAL GROWTH FOR EMERGING LEADERS

NEXTUp Leaders equips developing leaders with the confidence, knowledge and skills to effectively lead in the new and changing workplace.

INVESTING IN TOMORROW'S LEADERS

This program serves emerging leaders in organizations of all sizes, specifically those transitioning from being individual contributors to team and project managers—and employers looking to upskill and retain these rising leaders. The primary focus is on leadership philosophy, skill development and strategy. The cohort will be informed by a variety of community and business leaders.

Many new managers start without the tools needed to succeed. We're here to help.
