

DEFENSIBLE SPACE FOR ANIMALS

- ✓ **Create a “LEAN, CLEAN and GREEN ZONE” by removing all flammable materials within 30’ immediately surrounding structures.**
- ✓ **Keep animals as far as possible from brush and forest.**
- ✓ **Clear “stuff” next to buildings (furniture, tack boxes, supplies, etc.)**
- ✓ **Store hay, feed and bedding away from animal housing.**
- ✓ **Keep long hoses & nozzles in good shape and connected.**
- ✓ **Maintain safe property access for Emergency Vehicles!**
