walmart black friday 2025 is expected to start early with walmart+ members getting access to deals a week before the public. last year, the first sale launched online at 12 p.m et and in stores at 6 a.m local time, while the second sale started online at 12 p.m et for walmart+ members and 5 p.m et for everyone else. some popular items such as electronics and home decor will likely be available at rollbacks during both events. additionally, walmart offers contactless curbside pickup and lets you call when you arrive at the store to let them know. walmart strives to offer competitive prices online, but may not price match certain items on cyber monday or thanksgiving day. the company's paid membership program, walmart+, includes perks such as free shipping, early access to sales, and discounts on fuel. to stay up-to-date on sales and promotions, sign up for walmart's email list or use their app, which also offers touch-free payment options. while black friday is one of walmart's biggest events, the company often has sales leading up to it and during other holiday weekends as well.Walmart's Black Friday Sale 2025: A Comprehensive Guide ========== Walmart will start its Black Friday sale online on Nov. 25 and in-stores on Nov. 29, although some deals will be limited to a short time frame. It also offers buy now pay later options through Affirm at checkout, allowing customers to spread out payments according to the purchase amount. Members of Walmart+ tend to receive early access to its Black Friday deals. The majority of Black Friday sale items are available both online and in-store, although online deals are often introduced before the in-store ones. With its annual most-anticipated ad, Walmart promises an array of incredible Black Friday savings and doorbusters. Pre-Black Friday events start as early as October, along with deep discounts during Cyber Week. As a result, Walmart consistently ranks among the top five most-popular online shopping destinations for Black Friday. Last year's sale attracted millions of shoppers, who opted for online shopping due to the convenience of free shipping and in-store pickup. This year's Black Friday falls on Nov. 28, while Cyber Monday is scheduled for Dec. 1. It is predicted that Walmart will host at least two Black Friday sales and a Cyber Monday sale. The exact dates and deals will be updated by the BlackFriday.com team as more information becomes available. Walmart's Bellevue Neighborhood Market A separate section on the website offers information about the local store at 15063 Main Street in Bellevue, which is strategically located near Seattle but maintains a slower pace. Customers can find groceries and household essentials at this market, along with additional services such as pharmacy services and liquor sales. The store operates daily from 6:00 a.m. to 10:00 p.m., providing customers with the convenience of shopping during various times of the day.The Bellevue Walmart Neighborhood Market is open on weekdays between dawn till dusk, offering shoppers a convenient shopping experience. However, some special stores inside the premises have different operating hours than the main store. It's recommended to check our website or give us a call to know the exact hours of operation. ==========
