

Holiday Pet Safety

Keep your holidays happy
and your pets safe & healthy!

Many human holiday treats and decorations can cause serious injury, illness, organ failure, however...

Prevention is easy!

- Keep pets away from harmful foods, don't let guests feed them treats or scraps.
- Be aware of toxic plants and pick up flowers and leaves from the floor.
- Don't put decorations that look like toys where pets can play with them.
- Keep electrical cords out of reach of pets and children.

Here are common holiday human treats that can make pets sick.

If you know or suspect
that your pet ate something
he or she shouldn't,
take steps fast!

- Call your veterinarian or a Veterinary Emergency Hospital.
- Call the Pet Poison Hotline.
