

# Personal Ready-Kit Essentials

## Chose Items That Multitask

Many of the items you include in your personal Ready-Kit and first aid kit can also be used for your animals. Be sure to add items specific to the needs of your animals to ensure their health and safe sanitation.

- Wear boots or sturdy shoes, long pants & layers
- Cell phone, cables, chargers
- Underwear, socks, light warm layer
- Waterproof document wallet with important info
- Thumb drive w/critical docs
- Water, snacks, electrolyte packets
- Meds, eye & lip care
- Glasses, extra contacts
- Spare keys
- Small first aid kit
- PPE-M95 and N100 masks
- Eye protection: sunglasses, goggles
- Work & nitrile gloves
- Notebook, pens, pencils, Sharpie
- Purifier tabs or LifeStraw
- Cash in small bills
- Whistle
- Flashlight, batteries
- Headlamp with red light
- Fanny pack/sling bag
- Emergency blankets
- Poncho, rain gear
- Multi-tool
- Glowsticks, LED beacon
- Hi-viz safety vest

## Communication

- Comms devices, radio/satellite phone, chargers, cables. Make sure you have correct charging, cables, adapters for your current devices. Ensure lithium ion batteries and chargers are properly stored.
- Hand crank or solar radio/charger/light
- Radio, GPS locator, satellite communication communicator

## Personal Hygiene

- TP, sanitizer, antibacterial soap
- Hygiene wipes: Try to use eco-friendly wipes when possible.
- Unscented baby wipes and body wipes are generally safe for use on pets as well as humans.
- Water wipes and saline wipes are good for eyes, ears, noses, and paws.
- Dry wipes are essential for removing ash from animal fur and hair. Paper towels, cheese cloth, dish towels work well and are easy to pack.
