THE BASICS

DELIVERY

Pluckers offers delivery to your home or office with a $250 catering minimum (before tax and packaging & delivery fee). Our drivers will deliver your order and set up the buffet for you so everything is ready to serve when your guests arrive.

All items are served buffet-style and packaged in aluminum tins for easy setup and cleanup (unless you've selected one of our boxed meal packages). Plates, napkins, cutlery, serving utensils, and cups (if beverages are ordered) are included at no additional cost.

FULL SERVICE

For larger events (100+ guests), we recommend adding servers to stay for the duration of your event and assist with the buffet. They will replenish food as needed and keep additional items in hot boxes to ensure everything stays fresh. Servers can be added for $25 per hour.

ORDER DEADLINES

$1200 or less: Order must be finalized by 3:00PM at least one business day prior to your catering date.

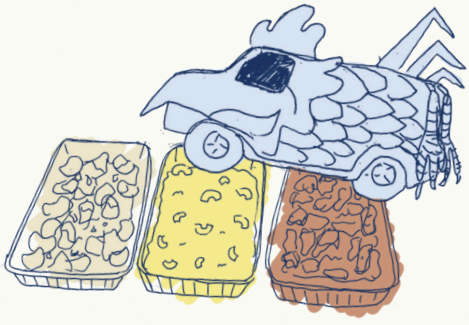

$1200 or more: Order must be finalized by 3:00PM at least two business days prior to your catering date.

PICK UP

Want to skip the delivery fee? You can pick up your catering order instead. As long as the $250 catering minimum is met, we'll have everything packed and ready when you arrive. Food is packaged buffet-style in aluminum tins for easy setup and cleanup (unless you've selected one of our boxed meal packages). Plates, napkins, cutlery, serving utensils, and cups (if beverages are ordered) are included at no additional cost.

TESTIMONIALS

TIFF'S TREATS – *Israel S.*

"Everything was great, nothing could have been better. Chase was on time and very friendly. He set up so quickly that I almost missed him leaving. I appreciated, and I'm sure everyone else did as well, the labels for sauces just in case someone wasn't big on spicy. I would definitely recommend your service and food to everyone I know."

ORACLE – *Patty T.*

"Y'all have great friendly service, and are so quick to respond. I would absolutely recommend your services!"

SOUTHWEST DIAGNOSTIC IMAGING CENTER – *Greg R.*

"Pluckers did an amazing job catering our Employee Appreciation Day. The process was easy, the food was delicious and plentiful, and the team was friendly and responsive throughout. They truly helped make the event a success."

TRANSWESTERN – *Holly D.*

"Seriously, you guys have the BEST customer service! Not only was our lunch delivered right on time, the sweet delivery lady was perfectly pleasant! She went out of her way to deliver the food in our meeting room as quietly as possible. You have no idea how many times catering companies deliver and don't realize when they unload it can be noisy. So it was so refreshing to see someone who understood the importance of that!"

DELL - *Todd R.*

"You are my hero and the best catering service provider of all times. Not to mention the food is pretty darn good too."

RATEGENIUS – *Colby S.*

"Everything was wonderful, on time, and delicious as always! Everyone loved the flavors and especially the mac n cheese. Thank you and your team at Pluckers!"

Catering FAQs

Is there a vegetarian option?
Yes! Although we are known for our chicken wings, we understand the need to feed vegetarians at the office. We have an Impossible Burger that is a plant-based patty made with all natural ingredients, as well as "Beyond Meat" Tenders.

Do you have a "healthy" option?
Most people choose Pluckers because they like to let loose and "eat dirty" or because they're craving a cheat day. Our food may be a splurge on calories, but it's also full of flavor and made to order. So spoil your taste buds!... or you can order our grilled chicken sandwich or choose to do the jumbo tenders "naked" (grilled) for those who are still too shy to go fried.

How many sauce flavors can I choose?
This varies based on the amount of wings you order. However, we typically do not suggest doing more than 3-5 flavors. The more flavors available, the quicker your food runs out, because people tend to take one of each.

How is a catered order served?
Catered orders—including our Catering Packages and A La Carte Catering—are served buffet style to keep your food hot and fresh. However, we also offer a boxed serving style so your group can grab-and-go. As a bonus, plates, napkins, and serving-ware are included!

How far in advance do we need to place an order?
Orders under $1200 must be finalized at least one full business day in advance to ensure our best service. This means, for example, Monday orders must be finalized by 3pm on Friday.

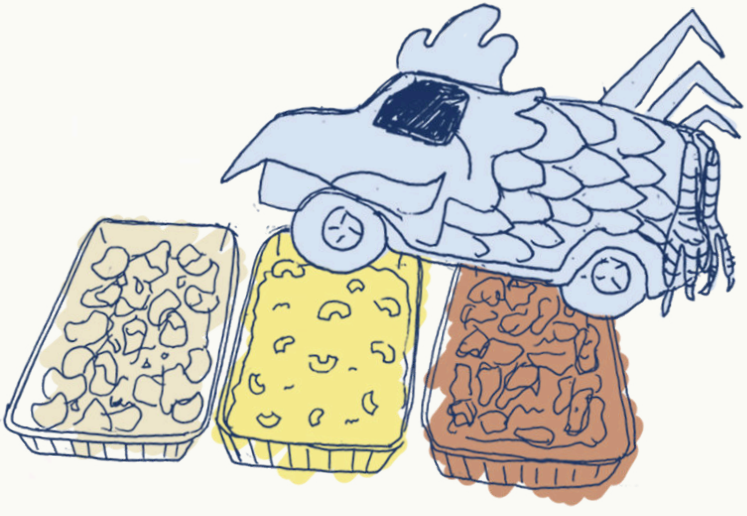

Orders over $1200 must be placed by 3pm two business days before your catering date. However, if you'd like to get your order in the books a week ahead, that's even better!

Do you only offer the items listed on the catering menu?
Yes. We have carefully chosen our menu items that cater the best. They are items we know will arrive delicious and will stay delicious! Other items are best served in the restaurant to ensure freshness.

Can you take a credit card over the phone?
Yes–in fact, this is the best form of payment. We require a card to finalize the order, but do not charge until the day of your catering. We are also able to provide a link via text or email for you to submit payment.
