IP011442728BURN - Burning and Welding Conditions

Under Section 1 - Public Liability, Products and Pollution Liability it is a condition of this Policy that:

A. in respect of work away from the Your own Premises involving the use of the application of heat, including the use of blow torches, blow lamps, flame guns, hot air guns, electric oxy-acetylene or other welding or cutting equipment and angle grinders (in circumstances where sparks are emitted), the following precautions must be complied with on each occasion;

- a) for work involving the use of blow lamps, blow torches, flame guns and hot air guns;
 - i. the area in which work is to be carried out is to be examined before each period of work commences and combustible property within the vicinity of the work either removed or as far as practicable covered by non-combustible material.
 - ii. suitable fire extinguishing appliances must be kept available for immediate use at the point of work.
 - iii. the lighting of all blow lamps, blow torches and flame guns must be carried out strictly in accordance with manufacturer's instructions and extinguished immediately after use.
 - iv. lighted blow lamps, blow torches and flame guns must not be left unattended.
 - v. hot air guns must be switched off when not in use and when unattended.
 - vi. upon completion of each period of work a continuous fire safety check must be made of the vicinity of the work for a period of not less than thirty minutes to ensure that there is no risk of fire.

- b) for work involving electric oxy-acetylene or other welding or cutting equipment and angle grinders;
 - i. before each period of work commences the area in which the work is to be carried out, including adjoining shafts or openings and the area on the other side of any wall or partition, must be inspected to see whether any combustible property, other than the property to be worked upon, is in danger of ignition either directly or by conduction of heat.
 - ii. all combustible property must be removed to a distance of not less than 10 metres from the point of work and property which cannot be moved must be covered and fully protected by overlapping sheets of non-combustible material or equivalent protection.
 - iii. You must arrange for a person who is competent in the use of fire extinguishing appliances to work in conjunction with the operative using the equipment to act as a firewatcher and to remain in attendance at all times until lighted flame equipment is extinguished and angle grinders are switched off.
 - iv. suitable fire extinguishing appliances must be made available for immediate use at the point of work.
 - v. the lighting or operation of all angle grinders, electric oxy-acetylene or welding and cutting equipment must be carried out strictly in accordance with the manufacturer's instructions and extinguished or switched off after use.
 - vi. lighted or active, electric oxy-acetylene or other welding and cutting equipment and angle grinders must not be left unattended.
 - vii. gas cylinders not in use must be kept outside the building in which the work is taking place where practicable, but in any event at least 5 metres from the point of application of heat.

Policy Number: IP26ATRAD00028475000

IP011442728BURN - Burning and Welding Conditions (Continued)

viii. upon completion of each period of work a thorough fire safety check must be made of all the areas in which the work was carried out, including adjoining shafts or openings and the area on the other side of any wall or partition for a period of not less than thirty minutes to ensure that there is no risk of fire.

B. when using bitumen boilers, the boiler must be placed on a non-combustible surface and is not to be left unattended whilst lit.

If You do not comply with this condition We will not pay Your claim

Subject otherwise to the terms and Exclusions set out in Section 1 - Public Liability, Products and Pollution Liability and the General Policy Conditions and General Policy Exclusions

IP011442727BFSC - Bona Fide Sub Contractor Condition

It is a condition precedent to liability under this Policy that where work is undertaken on Your behalf by any Sub-contractor You must take reasonable steps to obtain confirmation from the sub-contractor prior to starting work that they have insurance in force throughout the period of the work they are undertaking

A written record must be retained by You for inspection by Us if a claim arises for which the Sub-contractor may have a responsibility showing evidence of

- (a) Employers liability insurance in the name of the Sub-contractor covering liability to employees in accordance with any law relating to compulsory insurance
- (b) Public liability insurance covering the legal liability of the Sub-contractor to anyone who is not one of their employees and which
 - (i) has a limit of indemnity not less than the public liability limit of liability shown in Your Policy Schedule or any other amount agreed by Us in writing
 - (ii) includes a clause providing benefit of cover to You in similar terms to Condition 3 - Indemnity to Others of the General Policy Conditions (Excluding Section 5)
 - (iii) covers the type of work carried out by the Sub-contractor in connection with works being undertaken

If You do not comply with this condition We will not pay Your claim

Policy Terms

You have a duty to present Us with a fair presentation of the risks to be insured, and You must disclose every material fact which You know or ought to know about these risks. You do not need to disclose circumstances which reduce the risk, or those which We already know or ought to know.

If You breach Your duty to provide a fair presentation of the risks to be insured, the Policy could be cancelled, claims refused, or terms may be changed in line with the policy conditions.

If You have any queries about these clauses, please speak to Your insurance broker.

How do You make a claim?

If You need to make a claim, please call the Iprism Claims Team as soon as possible on the dedicated Iprism claims telephone number below. When submitting a claim please provide Your Policy number which can be found on the top of each page of this document and tell the police immediately if loss or damage has been caused by malicious persons or thieves and obtain a crime reference number.

Claims Telephone: 0333 005 1616

Policy Number: IP26ATRAD00028475000

Alternatively, if You prefer to submit Your claim in writing, please email the Iprism Claims Team at the dedicated address provided below as soon as possible. Be sure to include Your Policy number, which appears at the top of each page of this document.
