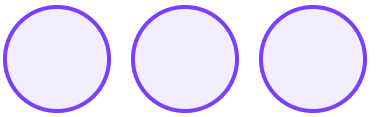
Token Board

Your child earns one token for each finished step.

3 tokens

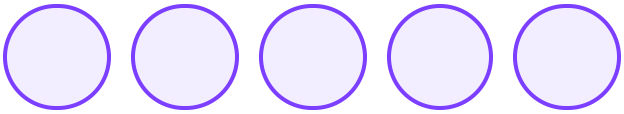
I am working for: _____



→ my reward

5 tokens

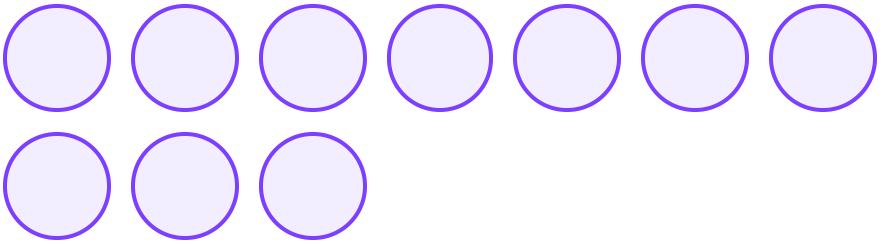
I am working for: _____



→ my reward

10 tokens

I am working for: _____



→ my reward

Start with the 3-token board so the first reward comes quickly, then move to 5 and later 10. Let your child place each token, and give the reward as soon as the board is full.

Alpaca Health matches families with a Board Certified Behavior Analyst (BCBA) for ABA therapy and handles the insurance paperwork.
