JOB POSTING # 20862

EQUIPMENT MECHANIC II

DIVISION: ***OPERATIONS (FLEET)***
LOCATION: ***SLAVE LAKE, AB***
SALARY: ***$4,922.51 - $5,159.59 BI-WEEKLY*** ***JOB CLASS NUMBER: 587800***
RELOCATION: ***NO RELOCATION ASSISTANCE WILL BE PROVIDED FOR THIS POSITION***

Under the supervision of the Lead Equipment Mechanic, the Equipment Mechanic II is responsible for mechanical repair and maintenance duties on equipment and vehicles, including hydraulic systems. The Equipment Mechanic II must hold certificates for both Automotive and Heavy-Duty equipment work.

RESPONSIBILITIES:

- Maintenance and repairs on company vehicles and equipment, including but not limited to trucks, cars, hydraulic equipment, tracked vehicles and trailers.
- Competency in the use of diagnostic equipment and troubleshooting of electronic control systems.
- Build, repair, transfer truck decks, and toolboxes as needed.
- Clean and maintain the garage and the equipment within the garage.
- Perform upfitting of many units within the Fleet.
- May be required to perform light welding duties associated with mechanical repair, maintenance and upfitting.
- May be required to perform over-the-phone and in-the-field troubleshooting and repair.
- Perform necessary documentation including electronic paperwork as required. (Including work orders, invoices, timesheets, inventory levels).
- Assist in the direction and training of other equipment mechanics, apprentices and garage helpers.

QUALIFICATIONS:

- Alberta Journeyperson Certificate as both an Automotive Service Technician and Heavy Equipment Technician.
- Valid Commercial Vehicle Inspection Program (CVIP) license or ability to obtain.
- Valid Class 1 or 3 drivers' license with Q endorsement is considered an asset.
- 7 or more years progressive experience is required as a certified Heavy Duty and Automotive Mechanic.
- Experience with basic computer skills.
- Experience using diagnostic equipment and troubleshooting of electronic control systems.
- Some Service calls, exposure to outdoor weather conditions, dust, and noise.
- Some travel and out of town work may be required.
- Required to handle moderate and heavy material.

First consideration will be given to qualified applicants for the Equipment Mechanic II. In the event there are no qualified applicants for the Equipment Mechanic II, applicants with an Alberta Journeyperson Certificate as a Heavy Equipment Technician or Automotive Service Technician and 4 years progressive experience as a certified Heavy Duty or Automotive Mechanic may be considered, and if successful, will be placed at the appropriate job class and salary level.
