MARKETING & CREATIVE

Marketing & Creative in Chicago, IL

Websites, campaigns, and brand creative that cut through the noise. Built for how Chicago buys.

OVERVIEW

Marketing & Creative in Chicago, IL is built for one of the most competitive attention markets in the country. Dozens of Fortune 500 companies are headquartered in the metro, including McDonald's, United Airlines, Kraft Heinz, Mondelez International, and Conagra Brands. Every inbox is full and every feed is crowded. Good creative is not decoration here. It is how you get chosen.

Then there is the trade show calendar. When tens of thousands of buyers gather at McCormick Place for the National Restaurant Association Show or RSNA, the brands that win are the ones with the strongest creative: booth design, show content, launch videos, and the campaigns that keep the conversation going after the floor closes.

We are a marketing and creative team serving clients nationally: brand identity, websites and landing pages, campaign creative, graphic design, digital content, and marketing materials. Work that is as strategic as it is good-looking, because in Chicago, the audience reads the fine print.

What makes us different is proximity to production. The same company designing your campaign also produces events and films video, so your brand shows up consistently everywhere it needs to: the stage, the screen, the site, the feed.

LOCAL INSIGHTS

Our Chicago clients are food and beverage brands launching products, trade show exhibitors branding entire programs, and healthcare and finance companies that need to look like the biggest player in the room. We build brand systems that flex across all of it: an exhibitor identity that works on a 40-foot LED wall and a mobile agenda, a campaign that runs from trade show signage to LinkedIn.

We understand the review realities of this market: legal teams, stakeholder approvals, partner co-branding. The work is built to survive the process, not just the pitch.

WHY SIMPLE

Most agencies hand you files. We stay for what happens next. Because events, video, and marketing live under one roof, the campaign we design is the campaign we can launch at your event, film for your channels, and extend across your year. One brand system, one team, no translation loss between the people who designed it and the crew executing it.

Simple is headquartered in Washington, DC, serving clients in 25 cities nationwide. Our world-class creative and production leads fly in for launches, shoots, and key meetings, so you get our standards and one team accountable for the work. For production days, we hire local crews, rental houses, and stagehands, so local labor is covered without shipping gear cross-country. Travel is part of how we quote, never a surprise line item.

We deliver what we say we will. We treat your budget, timeline, brand, and reputation with care. As we get to know your organization, we become the partner you call first.
