**Resolution recommending that Councillors be added to the Table of
Precedence**

Whereas, Councillors are duly elected representatives

And Whereas, the duties performed by Councillors are of no less importance to the process of governance and national development

And Whereas, Councillors continue to work tirelessly and relentlessly to help build and preserve safe and development enabled cities, towns and communities

And Whereas, the Table of precedence established under state protocols does not now include Councillors

And Whereas, there has been manifest commitment to the promotion and advancement of the Local Governance Reform process

And Whereas, it is pivotal that the office of Councillor be accorded its appropriate value and respect across all spectrum

Be it Resolved, that the recommendation be made to the Cabinet through the Minister of Local Government, that the current Table of Precedence be amended to include Councillors

Be it also Resolved, that the recommendation be made to insert Councillors at point 21 on the said Order of Precedence

And be it further Resolved, that this resolution be forwarded to all Parish Councils for endorsement and to the Ministry of Local Government for action.
