Danielle Brookes

Primary Teacher
Grade 1 & 2
English as a Second Language (ESL)

“As an educator, I believe that children thrive when they feel a strong sense of belonging. I aim to create a warm and inclusive environment where students feel comfortable being themselves, supporting each other, and learning together. This strong sense of community is also something that is reflected in our school, and I value it greatly. I feel fortunate to be part of a team that helps children grow with confidence and care.”
