Quality Policy

BAHADIR adopts the following as its policy by utilizing trained personnel and modern technology:

- Providing products and services that meet and exceed customer expectations,
- Complying with national and international standards, legal regulations, and all applicable requirements,
- Cooperating with its suppliers,
- Prioritizing efficiency in all its activities,
- Respecting people, human health, and the environment,
- Maintaining the effectiveness of the Quality Management System,
- Creating a company culture based on the continual improvement of all its activities.

Hasan Gürkan BAHADIR
