ECO LUXURY AT 1,700M

Balcony views are extra-special at the Hotel Goldener Berg, with its prime position right on the ski slopes above one of Austria's greatest mountain resorts
Breathe in the crisp mountain air and let the magic of the Arlberg embrace you. Perched at 1,700 metres above Lech, Hotel Goldener Berg is a family-run luxury boutique hotel combining ski in, ski out freedom, Alpine cuisine and restorative wellbeing in car-free Oberlech.

The biggest ski area in Austria — Arlberg on your doorstep
- 200 miles of slopes in Austria's largest ski area, plus 160 miles of off-piste skiing
- Ski in, ski out directly from the hotel
- Ski hire, guides and lift passes on request

Sun terraces & four restaurants
Two sun terraces with all-day dining offer panoramic views and relaxed breaks between runs. In the evening, you can choose from four restaurants:
- Johannesstübli — vegetarian and vegan fine dining
- Dirndlstüberl — new interpretations of Austrian cuisine and grand pièces
- EssenZzimmer — modern, health-conscious cuisine
- Alter Goldener Berg — fondue and Alpine dishes

A cosy bar and one of Austria's largest wine cellars complete the evening.

A vast Alpine spa
- Indoor pool and 23-metre outdoor infinity pool
- Finnish sauna, bio sauna and steam bath
- Yoga, meditation and weekly activities
- Massages, energy treatments and personal coaching
- Fitness and relaxation spaces with mountain views

For families and dogs
Family-friendly rooms, children's menus and a nearby ski school make winter holidays easy. Dogs are welcome in every room category, with beds, bowls and treats provided.

Certified with the Austrian Ecolabel and EU Ecolabel, Hotel Goldener Berg combines conscious luxury with warm Austrian hospitality.
