TERRY JAMES
SPEAKER / AUTHOR / CREATOR OF BOX THE COMPASS

THE DRIFT

You can be moving forward and still be drifting.

AUTHOR OF BOX THE COMPASS

A keynote for people navigating responsibility, change, and questions of purpose - ready to reconnect everyday choices with the life they want to build.

KEYNOTE / 45-60 MINUTES

The Drift helps people recognize how pace, pressure, and transition can blur direction. Through stories and a practical framework, participants explore what matters most and how to choose a course forward.

WHAT PARTICIPANTS TAKE AWAY

01 Language for recognizing personal drift early

02 Questions for clarifying what matters now

03 Practical waypoints for an intentional next chapter

04 A repeatable approach to course correction

AVAILABLE FORMATS

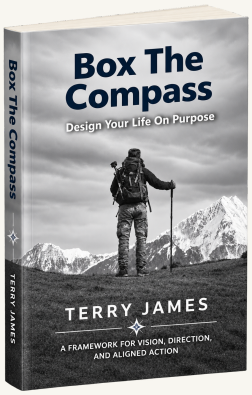
THE THINKING BEHIND THE KEYNOTE

FROM DRIFT TO DIRECTION

Recognize drift. Choose direction. Return without shame.

ABOUT TERRY

Terry James is the author of Box The Compass: Design Your Life On Purpose. He speaks to people navigating change, responsibility, and questions of purpose. His calm, grounded approach helps audiences recognize drift without shame and reconnect daily choices with the direction they consciously choose.



THE FRAMEWORK

01 NOTICE THE DRIFT
Recognize where momentum has blurred direction.

02 CLARIFY VISION
Identify what matters in this season of life.

03 CHOOSE WAYPOINTS
Turn direction into meaningful next steps.

04 PRACTICE RETURN
Reflect, course-correct, and keep navigating.

BEYOND THE KEYNOTE

Designing the Next Chapter helps participants define what matters and choose practical waypoints. Aligned Action offers a daily rhythm for sustaining direction when life gets busy again.

CompassOS / AFTER THE EVENT

CompassOS is the personal operating system built around Box The Compass. Designed as a companion after the retreat, it connects Life Vision, Waypoints, Cardinal Points, and daily reflection to intentional action.
