

OUR COMMUNITY NEEDS MALTA HOUSE

In Fairfield County alone...

There are over 300 births each year to unmarried women ages 18-24 who are living below the poverty line and having their first or second child. Over 110 women are receiving homelessness/housing services who are pregnant or parenting between the ages 18-24 (30% of total homeless) and “211” reports that approximately 80% of women who request housing are put on a waiting list.

We are on a mission to change this.

Here is how.

Malta House is the only home for pregnant women above the age of 18 in Fairfield County, and one of a limited number of programs for young homeless mothers and their babies.

With your help... Since opening our doors in 1998, we have welcomed more than 900 mothers and babies to our home.
