

MALTA HOUSE
HOPE FOR LIFE

Winter 2026 Newsletter

At Malta House, something beautiful is always unfolding.

Some days it's a mom bursting through the door to say, "I got the job!" Other days we gather to celebrate diplomas and certifications earned. And perhaps most joyful of all are the babies — since November, four healthy babies have been born to Malta House residents. Four tiny reminders of hope.

In this issue, we share three moments that capture the heart of our mission: two mothers completing healthcare certifications that open a path toward lasting stability; a milestone birthday for our co-founder, Hope Carter, whose vision continues to guide us; and a beautiful full-circle moment as the first baby born at Malta House was pinned with a gold bar insignia by co-founder Michael O'Rourke upon his commissioning as a Second Lieutenant in the United States Marine Corps.

These milestones are possible because of you – our friends, donors, and volunteers. Through your generosity, your time, and your prayers, you are present in every embrace, every achievement, every new beginning. The story of Malta House is your story too and together we are building futures filled with hope.

With gratitude,
Pamela

Meet Our Future Healthcare Heroes

These Malta House moms are excited to have graduated in February from a program where they will emerge as healthcare professionals - **thanks to your support!**

Our First Malta House Baby Becomes a Military Officer

It was a proud moment when Malta House's first-born baby became a newly commissioned Second Lieutenant.

Hope Carter: Creating a Blessed Partnership

Hope Carter, one of the five individuals whose vision of creating a safe home for pregnant women, designed the Malta House chapel. It was fitting that her birthday celebration began in our chapel.
