Connect

In our Bible story today, Paul told the people at Corinth that each person has their own gifts and abilities that can be used to serve God and tell others about Jesus. Just like the human body has many parts, the church has many parts that work together too. The church is all people who love and follow Jesus. It is more than just the people in this building; it is all of God's family. God can use each of us to share about Jesus and be a part of something big. I am so glad God works through us, no matter how big or small we are. He has a job for each of us in the church, and we can buddy up and be a part of something big!
