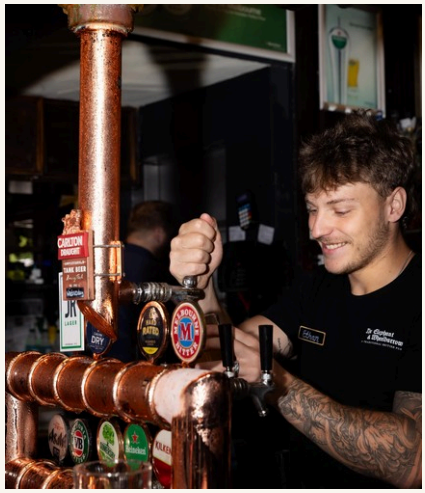
Beverage your way

Prefer a tab to a package? We'll set one up at the start with a limit. It can be revised as the night goes on, and increased if you need it to be. We suggest local beers, a sparkling, and red and white wine.

Once your minimum spend is reached you're welcome to move to a cash bar. The bar is fully stocked with beer on tap, and everything on the list is available at bar prices.

Package spend counts towards the minimum spend.



BOOKING

HOW IT WORKS

1 ## Hold it

A tentative booking is held for seven days, then it's released.

2 ## Lock it in

Bookings are made and confirmed through us. A booking is confirmed when the deposit is paid and the signed terms are back with us. The deposit is 30% of the minimum spend. Amounts are in the table below.

3 ## 30 days out

Cancel more than 30 days before the function and there's no fee. Cancel 30 days or fewer before and the fee is 50% of the deposit.

4 ## 7 days out

Confirm your numbers. Catering is charged on the confirmed number. If you drop below it, you still pay for the confirmed number. Anyone extra is charged on top.

5 ## On the night

The balance is due at the end of the event. If you haven't reached the minimum spend, the difference is charged then. Invoices are only provided if approved before the event.

DEPOSIT: 30% OF MINIMUM SPEND

SPACE	MON–THU	FRI	SAT–SUN
Third Level Bar	$600	$900	$1,200
Second Level, whole floor	$1,200	$1,350	$1,500
Second Level, half floor	$900	$1,050	$1,200

From 14 November to 31 December the minimum spend is $500 higher. The deposit is still 30% of the standard minimum spend, so the figures above don't change.

MONEY AND NUMBERS

Thanks for considering The Elephant & Wheelbarrow for your function. These terms apply from the moment you want to secure it.

Confirmation

A booking is confirmed when the deposit is paid and the signed terms and conditions are returned.

Tentative bookings

We hold a tentative booking for seven days. After that it's released.

Deposit

A private function isn't confirmed until 30% of the minimum spend has been received as a deposit and the signed terms and conditions have been returned.

Cancellation

Cancel more than 30 days before the function date and there is no cancellation fee. Cancel 30 days or fewer before and the fee is 50% of the deposit.

Minimum spend

The minimum spend is food and beverage combined. Other costs, such as DJ hire and security, do not count towards it. If the minimum spend isn't reached, the difference is charged to the client at the end of the function. Package spend counts. The minimum spend applies to private rooms only.

Final numbers

Confirm the number attending 7 days before the function. Catering is charged on the confirmed numbers. If your numbers decrease after confirming, you'll be charged for the confirmed numbers. Any additional guests are charged for.

Payment

The balance is due at the end of the event. We accept cash, Eftpos and all major cards. All prices include GST. Invoices are only provided if approved before the event.

HOUSE RULES

Decorations

Nothing may be fixed to any surface of the building without management's prior approval. Confetti of any kind is not allowed, under any circumstances.

Security

If the function requires extra security under the liquor act, the cost is charged to the client. We arrange the guards. Security is $65 per guard, with a minimum of four hours.

Up to 100 guests: 2 guards. 101 to 200 guests: 3 guards. 201 to 300 guests: 4 guards, and so on, one more for every further 100. Any function with a DJ, band or other amplified music requires security. Speeches through our house microphones are not counted.

Minors

Minors are permitted at the function under the supervision of a parent or legal guardian. Minors must stay within the function area. All minors must leave the premises by 10pm.

Dress code

Smart, neat, casual dress is required at all times to enter the venue. It is the host's responsibility to tell their guests.

Responsible service
