NYE 2026

NEW YEAR'S EVE · TULUM

To close *the year.*

Nômade Tulum, 28 December 2026 to 1 January 2027. New Year's Eve at Casa Crypto, co-hosted with Evan Luthra.

AN INVITATION

We close the year *on the Caribbean coast.*

Four nights at Nômade Tulum, among a small circle of members and house guests. Slow mornings on the beach, long lunches, dinners under the palms.

Then one night that carries us into 2027.

THE STAY · 28 DEC TO 1 JAN

Nômade *Tulum*

Between the jungle and the sea. Suites of wood, linen and stone, open to the light. The days are yours. Each evening, the house gathers for one shared moment.

Other activities at Nômade, from yoga to wellness rituals, can be arranged on request, subject to demand.

BY DAY

The beach, *long lunches,* nothing scheduled.

Mornings on the sand, a swim, lunch that runs into the afternoon. The house sets one table for its guests, and the rest of the day belongs to them.

A HOUSE WE KNOW

In August, Nômade Ibiza. *In December, Tulum.*

Strength by day, conversation by night, and a long table that carried Kizuna Night late. We return to the Nômade family, this time on the Caribbean.
