The art *of living*

Six gatherings between the races and the fairs.
From the Engadin in January to the last night of the year.

THE THIRD SEASON

Formula 1 and art set the calendar. *Lifestyle fills the year.*

The Grand Prix weekends and the art fairs give the house its dates. Between them, Aria One keeps its own: a residence in the mountains, a week by the sea, a long table in Paris, a night in the jungle.

Small circles. Places chosen for how they feel at midnight as much as at noon. Partners who belong at the table, never in front of it.
