

Notice of Public Meeting

The City of Pulaski intends to seek financial assistance from the State Revolving Fund Loan Program for lead service line removal and replacement. Local officials are conducting a public meeting to discuss this project and receive community input. This meeting will be held at **6:00pm on October 29th**, 2026, at Pulaski City Hall, 203 South 1st Street, Pulaski, TN 38478. The requested SRF loan amount is \$5,000,000, with \$2,500,000 in loan forgiveness over a 20-year period. The SRF loan should not have any impact on water customer rates. The proposed name of the project is the Pulaski Lead Service Line Replacement Project.

The public is invited to attend this meeting and make comments concerning this project to local officials as to the economic, safety, and environmental impacts; service area; and other alternatives. The City of Pulaski does not discriminate. Special accommodation may be provided to persons with disabilities by contacting the Pulaski City recorder at (931)-363-2516.
