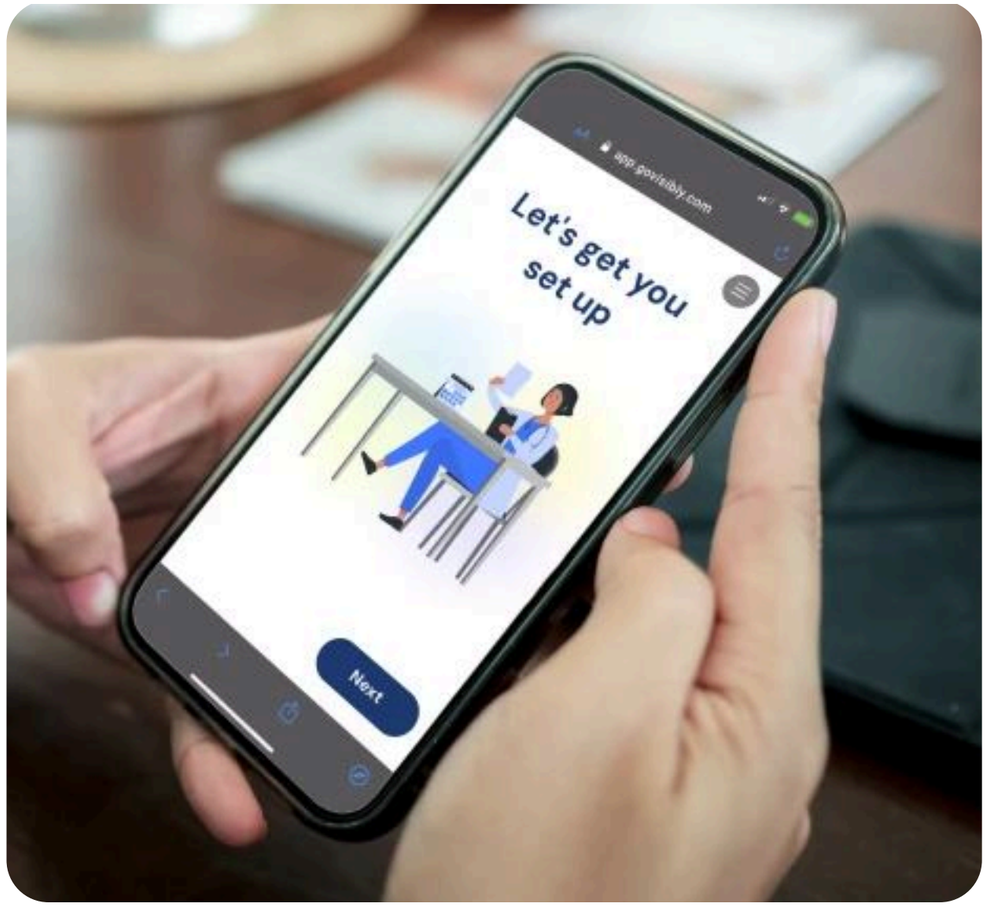
How it Works

1. **Tell us about yourself**
   to confirm your eligibility and vision care needs

2. **Take vision test**
   by answering questions 10 feet from your device

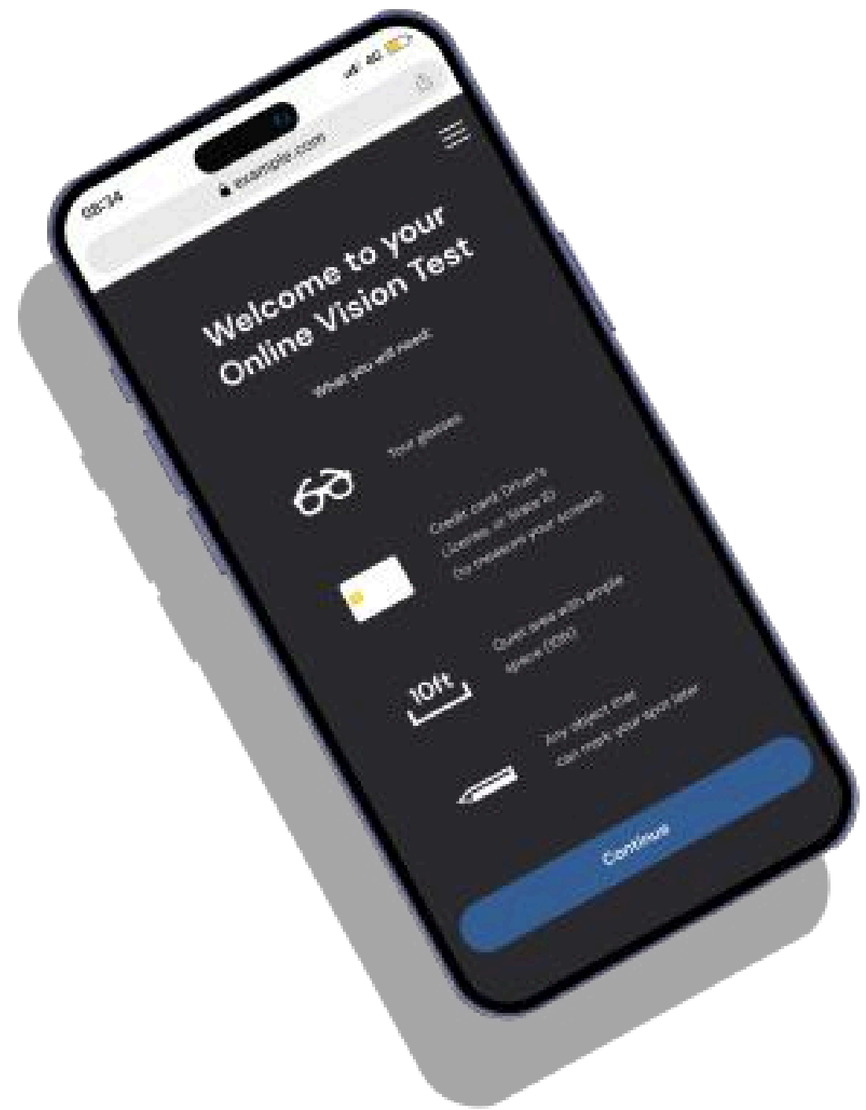
3. **Receive prescription**
   reviewed and sent to your email by board-licensed optometrists and ophthalmologists



What You Need

Your smartphone, tablet, or computer

No app needed! Take the test right from your device.



10 feet of space

Back it up! Stand around 10 feet from your screen so we can accurately measure your vision.

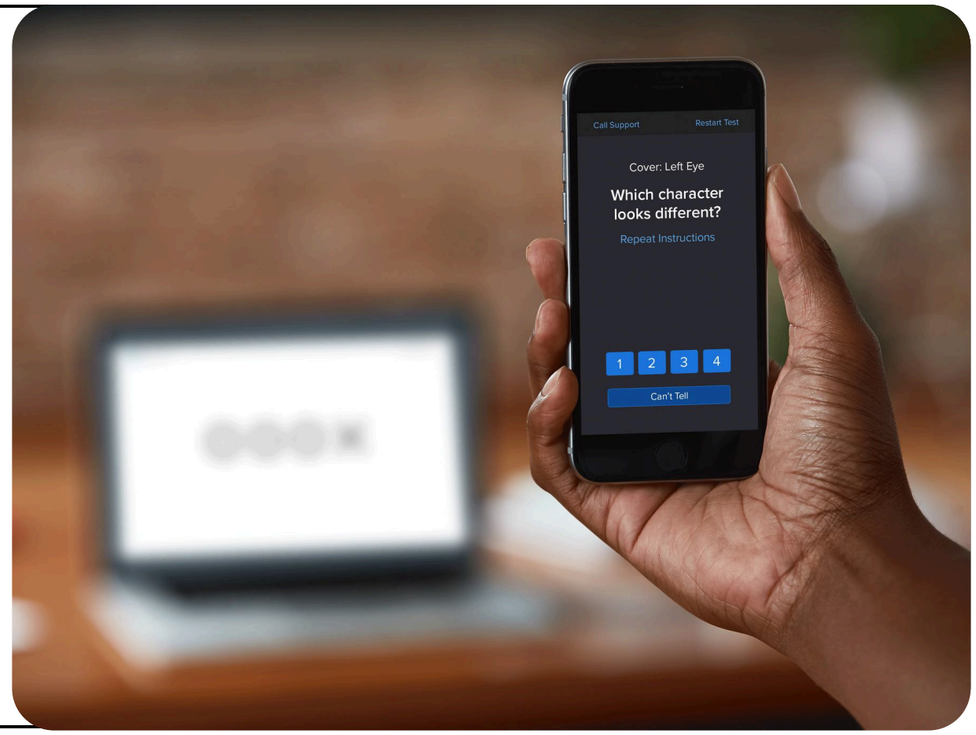
Your contacts or glasses

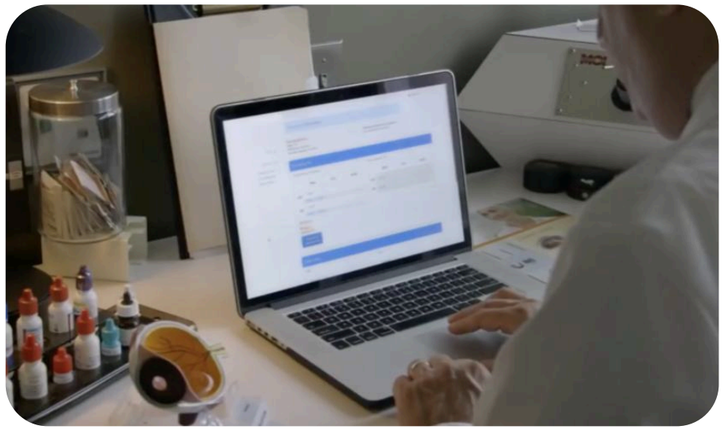
Choose to check your vision with or without wearing your correction.

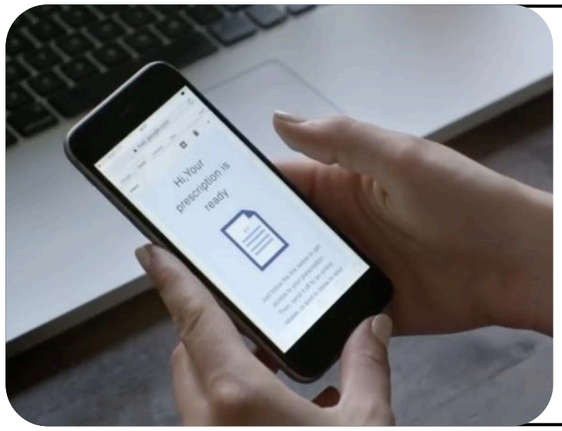
Set Up Your Computer

Move your computer to the edge of your table

Make sure you are **wearing your glasses** for the duration of the test. Do not wear tinted lenses or sunglasses







Get your results reviewed by an optometrist and receive a confirmation **within 24 hours**.

Your vision test results

Your prescription was renewed. Your new prescription has been uploaded to your dashboard.

Hi Dan,

Your new prescription is now available on your XP Health dashboard.

Keep in mind, your vision test wasn't a comprehensive eye exam. We recommend an in-person, comprehensive eye exam every two years. The health of your eyes is important!
