SAN DIEGO MONTHLY NEWS

February in Review

February was full of exciting events including our annual San Diego Black College Expo! On Thursday, February 12th we saw 3298 attendees, 399 on the spot acceptances, and \$9,611,042 in scholarships to San Diego students!

San Diego Movement Impact

Peer Advisors are making a HUGE impact at their school sites. In the graph you can see grades improving from the beginning of semester one to the end. Student's GPA averages went up from 2.5 to 2.9!

Student Spotlight

Peer Advisor Angelina's student Louis received an NCRF scholarship along with an acceptance + \$150,000 scholarship to Columbia College in Chicago at this year's Black College Expo! When asked how the experience made him feel Louis said "Amazing! It made me feel proud of myself and just in shock because I was just communicating with a couple people. I was introduced to new people and built a bond which led to that point. It made me excited and proved that I'm able to do it."

Wabash Summer Pathway Program

We are excited to share about the Summer Pathway Program hosted by Wabash College in partnership with the Malcolm X Institute of Black Studies.

This week-long, all-expenses-paid summer program is designed for high school sophomore and junior young men. Participants will experience academic enrichment, leadership development, mentorship, and an immersive college campus environment.

Program Dates: June 20 - June 25, 2026

Application Deadline: Sunday, March 29, 2026 at 11:59 p.m. ET

Upcoming Events

March is Women's History Month and we are excited to bring back our Cafe & Chisme events at 37ECB (3/12 at 9:00am), SPA (3/18 at 12:00pm), and Monarch(3/19 at 1:15pm)!

Cafe & Chisme Women's History Month celebration is meant to empower our students to be proud of their identities and find solidarity through sisterhood. We aim to create an environment where the young ladies within JCCS can feel led to become great leaders through providing them with the tools to promote self-love, confidence, and strong interpersonal relationships. This year's workshops include lip balm making, career panel, and a team work session!
