Black Friday Promotion

Terms & Conditions

Promotion: 50% OFF Your First 60-Minute Consultation

1. Promotion Period

The Black Friday promotion runs from 00:00 on 27 November 2026 until 23:59 on 4 December 2026, Dubai time (Gulf Standard Time, UTC+4) (the “Promotion Period”).

2. Promotional Offer

Eligible new clients receive a 50% discount on their first 60-minute consultation with a Medici Expert legal professional.

The offer applies to consultations across all service areas provided by Medici Expert, with no restrictions on consultation topics.

3. Eligibility and Booking Conditions

- The promotion is available to individuals and legal entities that have not previously purchased any paid services from Medici Expert. Previous inquiries, correspondence or free introductory calls do not affect eligibility.
- To qualify for the discount, the consultation must be booked and fully paid for during the Promotion Period.
- The discount is available once per client and applies to one consultation only. Where a consultation is purchased on behalf of a legal entity, that legal entity is the client for the purposes of this promotion. Bookings made by different representatives of the same legal entity do not create separate entitlements to the discount.
- The discount is calculated based on the standard consultation fee.

4. Consultation Scheduling

The consultation may take place during or after the Promotion Period, on a date and at a time agreed between the client and Medici Expert, subject to availability. The promotional discount remains valid for bookings made and fully paid for during the Promotion Period, even where the consultation takes place after 4 December 2026.

5. General Conditions

- The offer cannot be combined with other promotions, discounts or special offers.
- The discount cannot be exchanged for cash or transferred to another person.
- Any services beyond the scope of the initial consultation are not included in the promotional offer and may be subject to separate fees.

- Medici Expert reserves the right to amend or terminate the promotion in accordance with applicable laws and regulations.
- The consultation scope and the applicable cancellation, rescheduling, late-arrival and no-show terms will be provided to the client and agreed in writing before payment. Any permitted rescheduling will preserve the promotional price. If Medici Expert is unable to provide the consultation and no alternative date is agreed with the client, the client will receive a full refund of the consultation fee paid. Nothing in these Terms limits any mandatory rights under applicable law.
