NCRF Hosts 22nd Annual DC/Maryland Black College Expo™ March 15th

Long-established event continues to inspire area students and promote access to higher education, expanded scholarships and career information

WASHINGTON, DC – March 6, 2025 – National College Resources Foundation (NCRF) presents the 22nd Annual DC/Maryland Black College Expo™ on Saturday, March 15th from 10:00 a.m. to 3:00 p.m., at Walter E. Washington Convention Center, 801 Allen Y. Lew Place NW, Washington, DC 20001.

Coming to you from our nation's capital, the annual expo offers a unique hub of information and connection for a wide range of students, from high school to college to adult learners. The expo also fosters a college-going culture and an opportunity for students to find their voice. There are several engaging seminars and workshops throughout the day to help underclassmen, future leaders, transfer students and adult learners plan their college and career success. NCRF welcomes families, students, parents, guardians, educators and individuals of all ethnic backgrounds to attend.

The event provides students access to a diverse range of over 50 colleges and universities, including historically black colleges and universities (HBCUs), as well as trade schools and other educational programs. Select colleges will generously waive application fees, offer scholarships, and even extend on-the-spot acceptances!

“DC/Maryland is one of our longest running expos on the East Coast and we value so many of you who have shared our mission over these many years. Together, we continue to connect underserved students to higher education! We’ll be back in March to help transform lives one student at a time,” says NCRF Founder and CEO, Dr. Theresa Price.

The 22nd Annual DC/Maryland Black College Expo™ is presented by NCRF and sponsored by NCRF TV, Foundation Clothing Co, Active Minds, Army ROTC, Be an Actuary, S9, T-Mobile, and Toyota.

The expo is free to attend, to register please visit: www.ncrfoundation.org or call 877-427-4100.

The event is produced by National College Resources Foundation (NCRF), who has begun its 26th year of connecting students to college and careers. To date, NCRF has helped over 700,000 students get into college and assisted students in securing over 5 billion dollars in scholarships and grants.
