PARTNERSHIP OPPORTUNITIES

**PARTNERING TOGETHER TO IMPACT KIDS
BY ENCOURAGING CHRISTIAN FAITH
THROUGH DIGITAL FUN**

Dear Friend,

Thank you for taking the time to learn about Lightgliders. It is a digital game world of Christian faith and fun for kids available on computers, tablets, and smartphones. Accessible at www.lightgliders.com and in the app stores, Lightgliders was strategically designed to encourage biblical faith, positive values, and meaningful conversations. It is a fun discipleship tool for kids, and can be used in ministry, school, and small-group settings.

We created Lightgliders to impact kids before their teenage years in a culturally relevant manner. Fundamental perspectives on truth, morality, and purpose are firmly in place before the teenage years, and kids are spending more time digitally connected than ever before. Lightgliders offers a fun way to engage the kids you care about during their most critical years. Everything in its story, content, and gameplay was designed to teach a biblical worldview, to encourage prayer and reflection, to cast a vision for real-world service, and to spark conversations about life's most important questions.

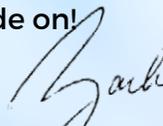

This partnerships guide has two sections:

Christian Faith Through Digital Fun. How the Lightgliders game and story world offers fun digital discipleship to help kids know, grow in, and show God's love.

Partnership Opportunities. Ways to partner with Lightgliders that will benefit your organization as well as the kids and families you serve.

Thank you for considering Lightgliders. Please reach out to us by emailing partnerships@lightgliders.com. We want to partner with you to impact the next generation for Christ.

Glide on!

Biblical Worldview Teaching and Reflection

With *Lightgliders*, groups and families have a digital discipleship tool to inspire conversations about life's most important questions, which are answered with a biblical worldview. Substantiated by the resurrection of Jesus Christ, a biblical worldview shares the story of God's love for us and encourages positive values to guide decisions and behaviors. *Lightglider* lessons focus on five components of a biblical worldview and the five values they inspire.

CREATION

The Bible begins by telling us that God created the world and everything in it.

"In the beginning God created the heavens and the earth." Genesis 1:1 (NLT)

PURPOSE

If God created us, then there is purpose for our lives. We can live as if our lives matter, because they do!

REBELLION

The Bible teaches that we are severely flawed due to our sin and selfishness. Every one of us has rebelled against God and has contributed to the darkness in the world.

"For everyone has sinned; we all fall short of God's glorious standard." Romans 3:23 (NLT)

HUMILITY

If this is true, then we are weak, dead in our sin, and in need of God's forgiveness. We always have a reason to live with humility.

REDEMPTION

The Bible tells us how God's Son, Jesus, took the penalty for sin when He died on the cross. Those who trust in Him are redeemed. The cross is the ultimate rescue mission.

"But God showed his great love for us by sending Christ to die for us while we were still sinners." Romans 5:8 (NLT)

CONFIDENCE

In spite of our rebellion, God loves us. The cross is the evidence of this. Knowing that we are loved by the One who forgives our past and secures our future gives us confidence.

RESTORATION

The Bible says that Jesus was resurrected from the dead and will come back one day to restore all things to their intended beauty and purpose.

"For he must remain in heaven until the time for the final restoration of all things, as God promised long ago through his holy prophets." Acts 3:21 (NLT)

HOPE

Because of this promise, we can look to the future with hope knowing that all will be made right. The redeemed will live forever with God in His kingdom. The future is bright!

JESUS

The Bible teaches that God loves us and sent Jesus to rescue us. Through His life, death, and resurrection, Jesus showed us how to love.

"So now I am giving you a new commandment: Love each other. Just as I have loved you, you should love each other." John 13:34 (NLT)

LOVE

At the cross, God gave us the ultimate example of love. Because God showed us His love through Jesus, we should love others.

Lightgliders follows a weekly calendar of themes, Scriptures, and reflection questions about these truths. Groups and families are encouraged to follow along and talk about them with their kids.
