

Dear Friend,

At **Lightgliders**, our mission is to inspire faith, hope, and love in kids through redemptive screentime, storytelling, and community. We want to see the next generation captivated by God's love. Thank you for your support of this mission and vision.

I am pleased to share our **2025 Ministry Impact Report**. This was a significant year for the ministry of Lightgliders for the following reasons:

- The [Lightgliders virtual world](#) engaged more than 11,000 kids in 2025 with fun gameplay, biblical worldview curriculum, and faith-filled community events. More than 110,000 kids from over 80 countries have engaged with our digital children's ministry since it first launched. We continue to receive testimonies from kids and families each week, and wanted to share at least one that encapsulates what the virtual world seeks to do.

"We are so glad we found Lightgliders! My son has an online community of friends that pray together, uplift each other, and study God's Word together—all while having fun and playing games in a safe environment!"

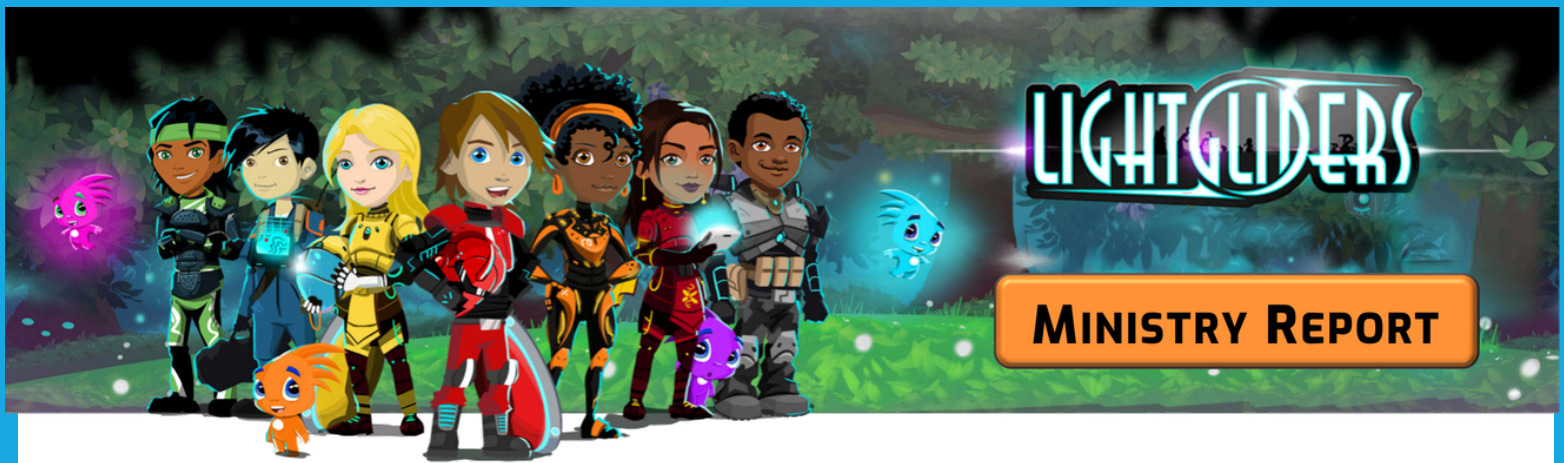

~ Ashley B.

2025 was the year that Lightgliders became a transmedia brand! The interactive story found inside the virtual world spread into other forms of media, such as books and a new podcast.

- In 2025, in partnership with New Growth Press, we published [two middle grade fiction books](#), designed to captivate the spiritual imagination of kids with the truth, beauty, and goodness of a biblical worldview.

- We also launched [The Gliddle Podcast Brought to You By Lightgliders](#), a weekly podcast for kids and families that goes deeper into the weekly lessons, Scriptures, and reflection questions relayed each week inside the Lightgliders platform.

- Thousands more kids and families this year engaged with the discipleship materials found in our weekly blog, [The Glider Gazette](#), as well as our Bible reading plans found in the [YouVersion Bible app](#).
- One new Bible reading plan launched in 2025 entitled "[What God is Like](#)" includes devotions written by the kids in Lightgliders themselves.

I want to close with some short testimonies from the kids themselves. These are their "Lightglider names," which they select when they first enter the platform.

"LIGHTGLIDERS IS SO GOOD, BEST GAME EVER!!!"

~Hazel Risky Marshmallow

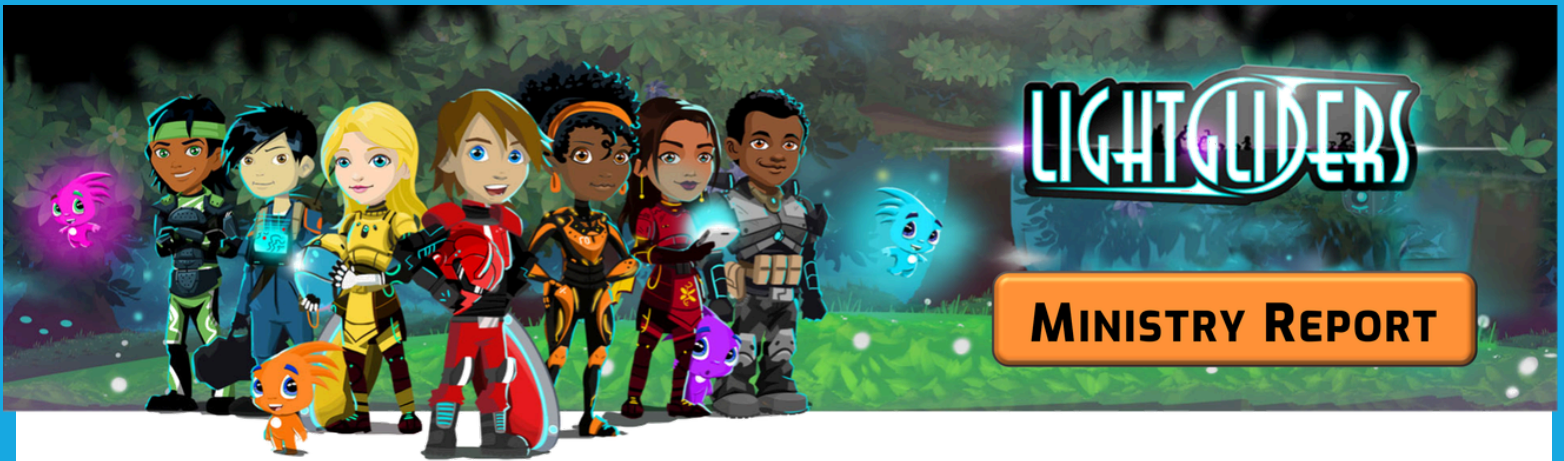

"I am so happy you guys made this! I'll be on for years to come. Thank you and shine on!"

~Flash Mysterious Detective

"I know this game will strengthen your walk with Christ."

~Macy Golden Champion

Again, thank you for your support of Lightgliders. We have big plans in the coming year to expand the reach of Lightgliders worldwide. Please keep Lightgliders, including every child and family it reaches, in your prayers.

All the best,

Zach Fay
