WHAT IS CANA?

@BARCANADC

The name "Cana" echoes the Portuguese word for sugar cane, the soul of Brazil's rich history and culture.

At **Cana**, we pay homage to this plant in its most spirited form: **cachaça**, the essence of Brazilian craftsmanship and tradition. Derived directly from sugar cane, cachaça is the soul of Brazil, capturing its essence in every sip.

We invite you on a journey through the flavors that define the iconic **caipirinha**, Brazil's beloved cocktail. From the classic to exotic fruits, we want to transport you to **Rio de Janeiro**. Let the rhythm and warmth of Brazilian hospitality welcome you as you toast to life, love and the spirit of **cane**.

THE CAIPIRINHA

BRAZIL'S NATIONAL COCKTAIL

FOUR THINGS. THAT'S IT.

1 LIME + 2 SUGAR + 3 ICE + 4 CACHAÇA

The classic Brazilian recipe, built on **cachaça**, the spirit distilled from fresh sugar cane juice. At Cana we sweeten ours with **sugar cane juice** too. Start with the classic, then go fruity.

WHAT IS CACHAÇA?

“ THIS ISN'T RUM, AND IT'S NOT TRYING TO BE.

Cachaça is more than just a spirit: it's a celebration of culture, history and craftsmanship. Rooted in the sun-drenched sugarcane fields of **Brazil**, it's the heartbeat of countless celebrations, from the lively streets of **Carnival** to quiet family gatherings under the stars.

Cachaça stands on its own, distilled from **fresh sugarcane juice**. Its grassy, earthy profile with hints of tropical fruit is unlike anything else in the world of spirits.

Crafted for over **500 years**, cachaça embodies the rhythm of Brazil: bold, vibrant and unapologetically joyful.

More than **4,000 distilleries** across Brazil, from industrial giants to small family-run operations, make it. Many age it in **native Brazilian woods**, unlocking flavors you won't find anywhere else in the world.

PRATA OR AMARELA?

Cachaça takes on many forms, each revealing something special.

○ PRATA SILVER

Unaged and bursting with fresh sugarcane flavor. Bright, grassy and refreshing, it's the star of the caipirinha and a true taste of the tropics.

● AMARELA GOLD

Aged in Brazilian woods, it's where cachaça's character deepens. Each wood brings its own personality.

KNOW YOUR WOODS

AMBURANA

Sweet and warm, with hints of cinnamon, vanilla and clove. A dessert-like indulgence.

JEQUITIBÁ

Smooth and mild, keeping sugarcane's natural sweetness at the forefront.

BÁLSAMO

Herbal and minty, with bold, refreshing notes that make it perfect for sipping.

IPÊ, CABREÚVA & MORE

From floral to earthy, flavors as diverse as Brazil's ecosystems.

To Brazilians, cachaça isn't just a drink. It's tradition. It's pride. It's connection. Go ahead, explore its depth, savor its story and toast to the remarkable. **Saúde!**
