2 Peter 1:1-2

*Believers can rejoice in their salvation because it is substantive
and is sourced in the righteousness of Christ*

“A savior is one who brings salvation and the word salvation was familiar to the people of that day. In their vocabulary, it meant deliverance from trouble, particularly deliverance from the enemy. It also carried the idea of health and safety. A physician was looked on as a savior because he helped deliver the body from pain and limitations. A victorious general was a savior because he delivered the people from defeat. Even a wise official was a savior because he kept the nation in order and delivered it from confusion and decay.”
