DESIGN
YOUR ESPRESSO

Every HLF coffee machine is produced with passion and a ccuracy on details where technology meets the ltalian design.

The new HLF 3700 is the last upgrade of HLF super automatic line, which combines two efficient machines as the 2700 and 5700. This new version acquires the innovative self-cleaning cycle, now a fundamental feature in the HLF line, and also a large quantity of drinks.

The real ltalian Espresso and the finest milk form produced from the HLF 3700 make possible every drink desired, thanks to the double milk module, thought for who wants to offer the best service for his clients.

The HLF 3700 has all the characteristics to be your “must have”.
