“The God Heaven Will Prosper Us”

Nehemiah 2:9-20

*God protects and enables His people to complete the work He
has commissioned them to do*

*“The destruction of Jerusalem’s walls left its people
exposed to great trouble and shame. Rebuilding the walls
of Jerusalem was important because it revealed God’s
blessing, served as a sign to Israel’s enemies, and showed
God was with His people. The walls provided protection
and dignity to a people who had suffered the judgment of
God but had later been restored and returned to the
Promised Land.”*
