Nehemiah 3

*God works powerfully through the unity of His people*

*“At the sheep gate is where it all began. This the gate where the Lord Jesus entered into Jerusalem...(John 5:2)...The sheep gate is the gate through which the animals were brought for sacrifice. This is the gate the Lord used. I think He was acting out, as it were, a walking parable. He was illustrating what John the Baptist said about Him, “...Behold the Lamb of God, which taketh away the sin of the world.” (John 1:29b).”*
