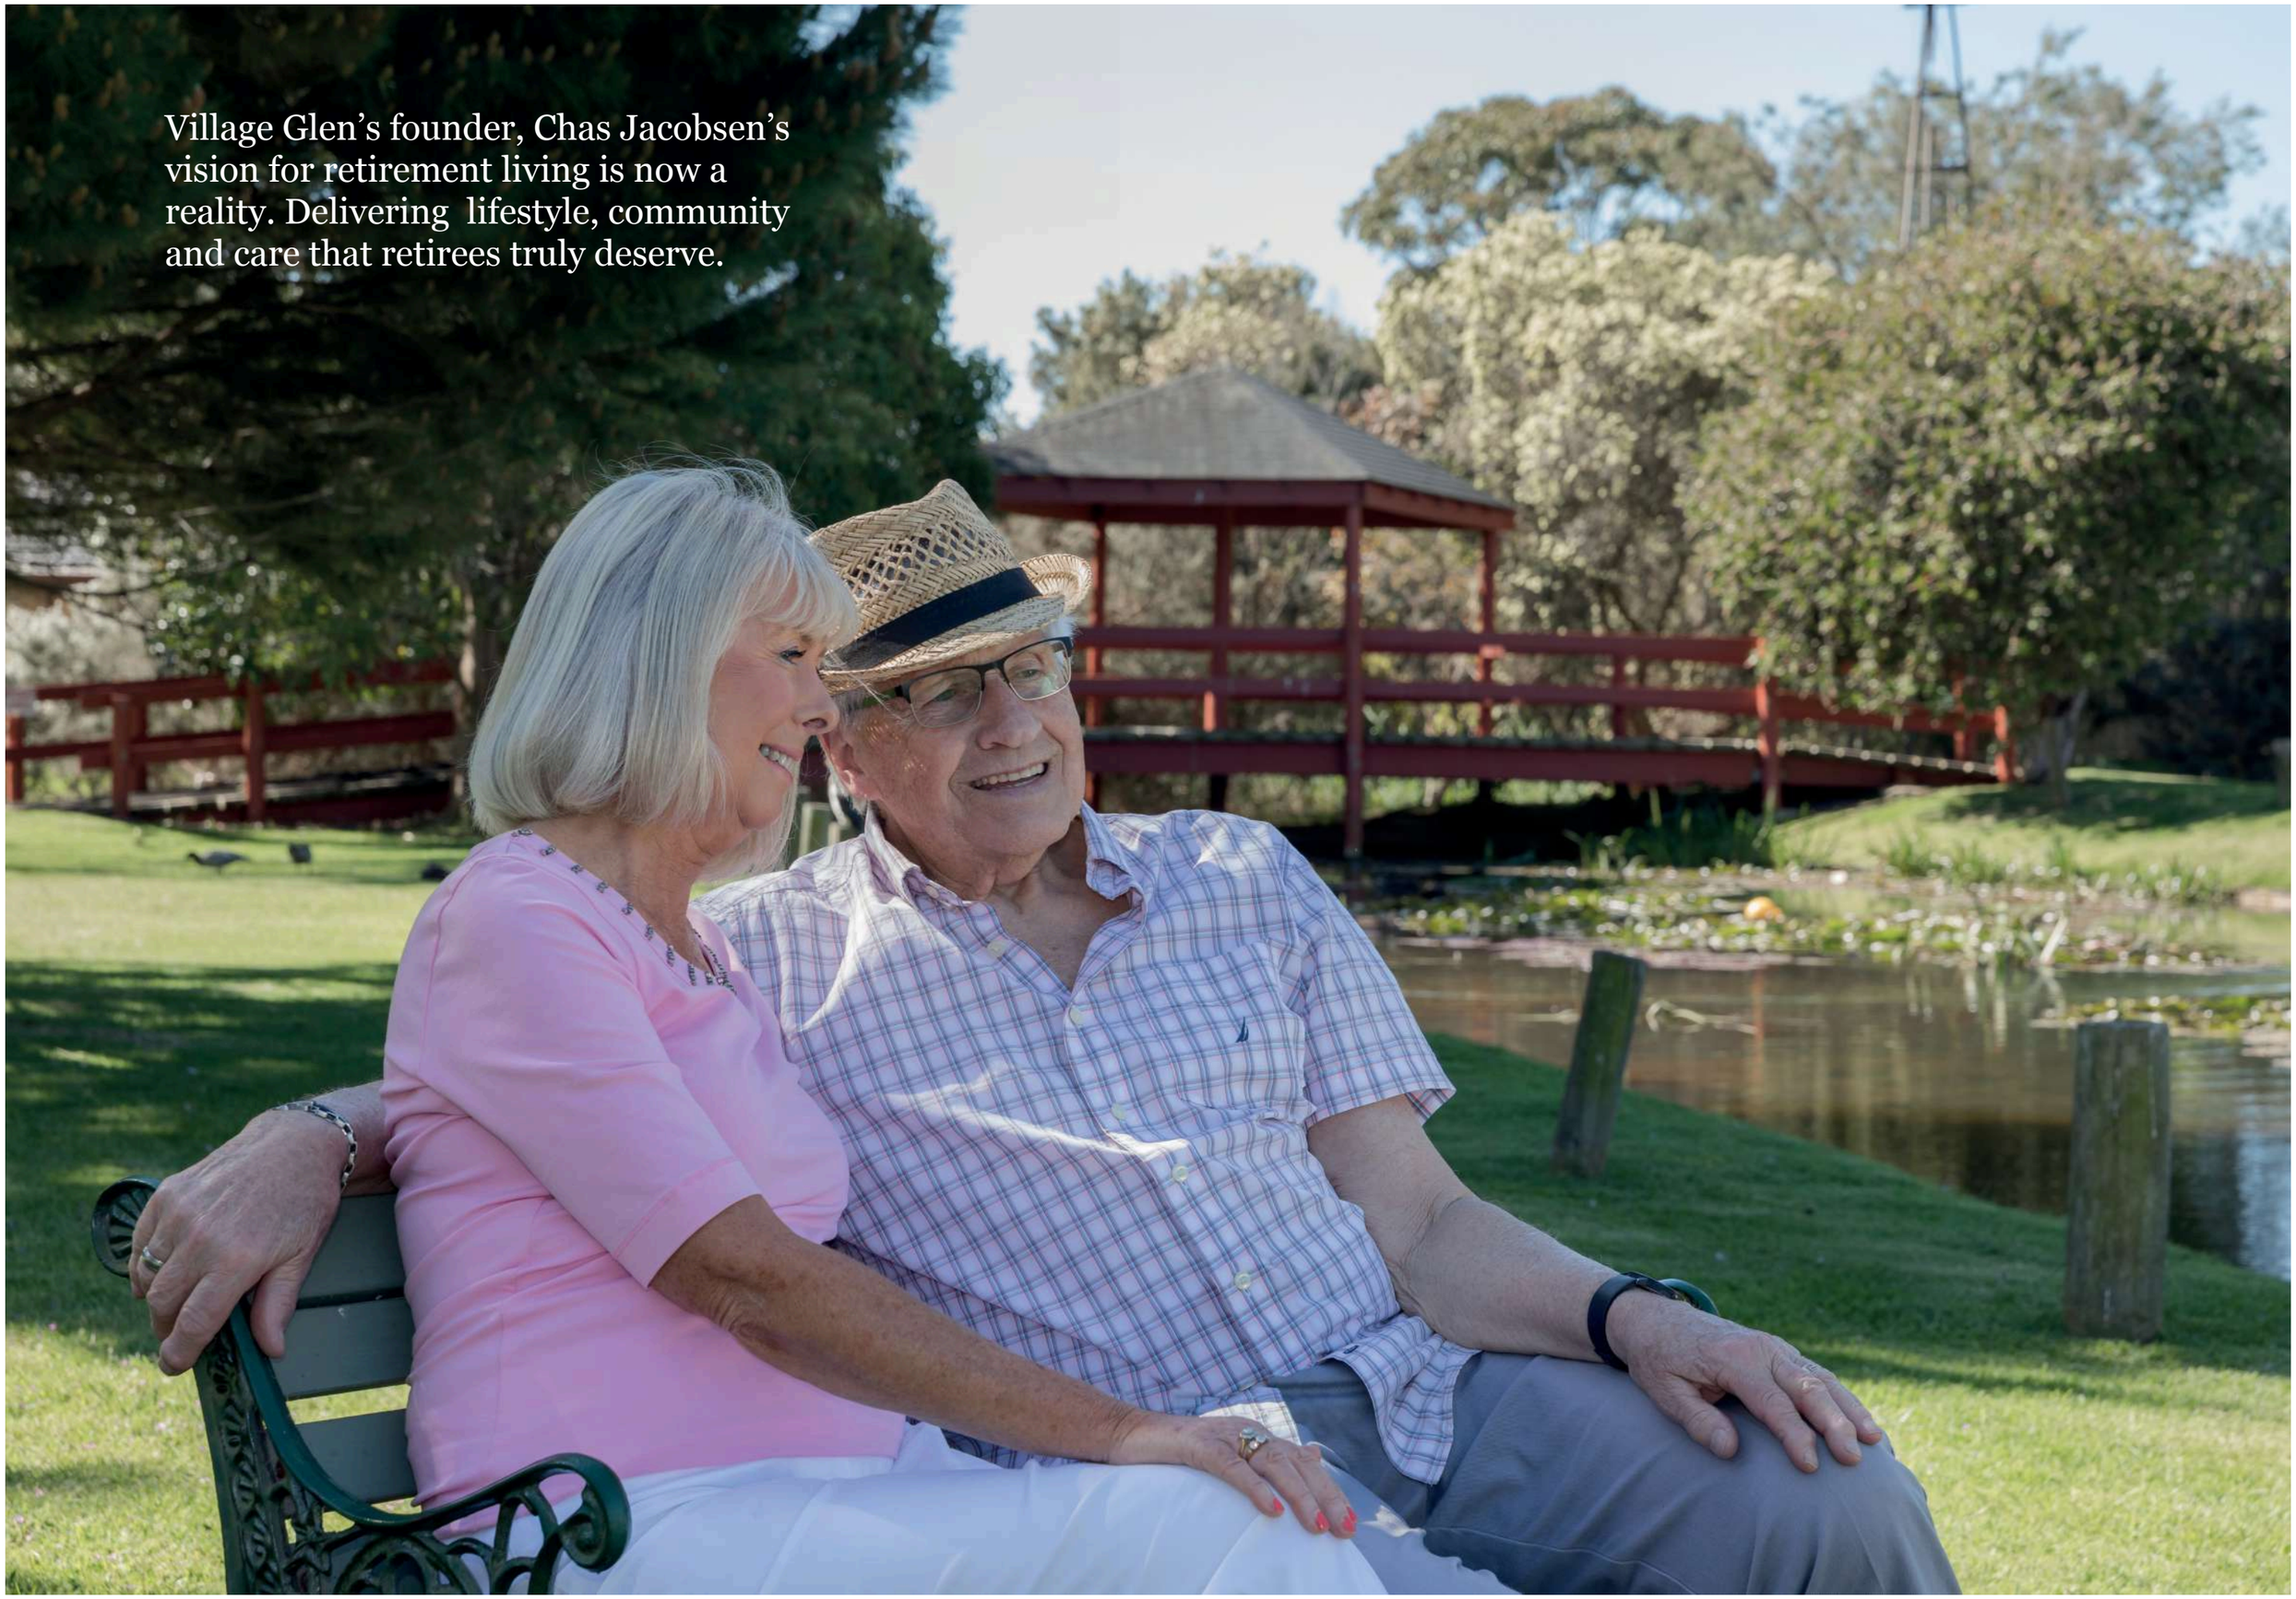
RETIREMENT LIVING

VILLAGEGLEN.COM.AU

Village Glen's founder, Chas Jacobsen's vision for retirement living is now a reality. Delivering lifestyle, community and care that retirees truly deserve.



LOCATION

Location. Location. Location.

Is there a better spot to retire to? Just an hour out of Melbourne, the Mornington Peninsula is a bayside playground, with an abundance of beaches, wineries and golf courses.

The Peninsula enjoys a wonderful climate, always cooler than Melbourne on those hot summer days. Enjoy day trips, scenic walks through the national parks, shop all day at Sorrento Village or watch the sunset from the new Eagle chair lift at Arthurs Seat.

INTRODUCTION

Welcome to Village Glen.

Built over the last forty years, Village Glen is the Peninsula's premium retirement community offering a range of villas and apartments that cater to all tastes. Assistance is on hand, around the clock, while amenities are never far away.

HEALTH & WELL-BEING

Help is always at hand.

With nurses onsite around the clock, you're always cared for at Village Glen. They'll respond to the emergency call system, day or night and we also run a daily clinic for non-urgent issues. At Village Glen we pride ourselves on the care we provide for our residents.

WINING & DINING

A village that feels like a resort.

At Village Glen, you're never far from world-class amenities. Have lunch at the Clubhouse Café or grab a latte after golf. The Palms Dining Room is open a number of times a week and for special functions. There's even an onsite shop to top up on supplies. Luxurious new facilities include a 48 seat gold class style cinema and CJ's Lounge with cafe and bar, a place for residents to gather with friends or simply relax with good book from the library. 'Here's to community!'

GOLF FACILITIES

There’s even a designer golf course!

Designed by golf course guru, Michael Wolveridge, this 9-hole gem wraps itself around a 6-star clubhouse. Sink a tricky 10-footer at the last and reward yourself with a well-deserved refreshing beverage. Now that’s living!

SPORTING FACILITIES

A place for good sports.

An active retirement is a happy retirement so there's plenty to do at Village Glen. Play bowls on our competition-standard greens or do laps in our temperature controlled indoor pool. Or if so inclined, swing a mean mallet on our croquet lawns. If you want to stay fit and healthy, you're in the right place.

Including:

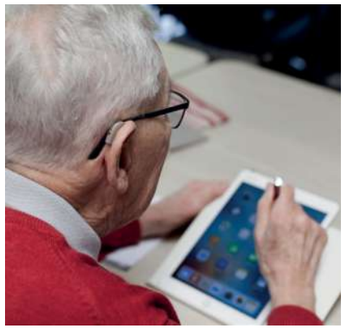
- Croquet lawns
- 8 rink bowling green
- Indoor swimming pool
- Spa
- Fully equipped gymnasium

A place to get creative.

Years may have passed since you've been in touch with your creative side. At Village Glen, there are many opportunities to get those creative juices flowing again. From art, iPad and pottery classes to vegetable gardening, quilt making and woodworking. Who knows where your imagination will take you?

Including:

- Art Class
- China Painting
- General Craft Class
- iPad & iPhone Class
- Mac Class
- Mosaics & Garden Ornaments
- Patchwork & Quilting
- Pottery
- Vegetable Gardening
- Woodworking



Village Glen is a unique approach to retirement. Quietly working its magic on the Mornington Peninsula since 1980.
