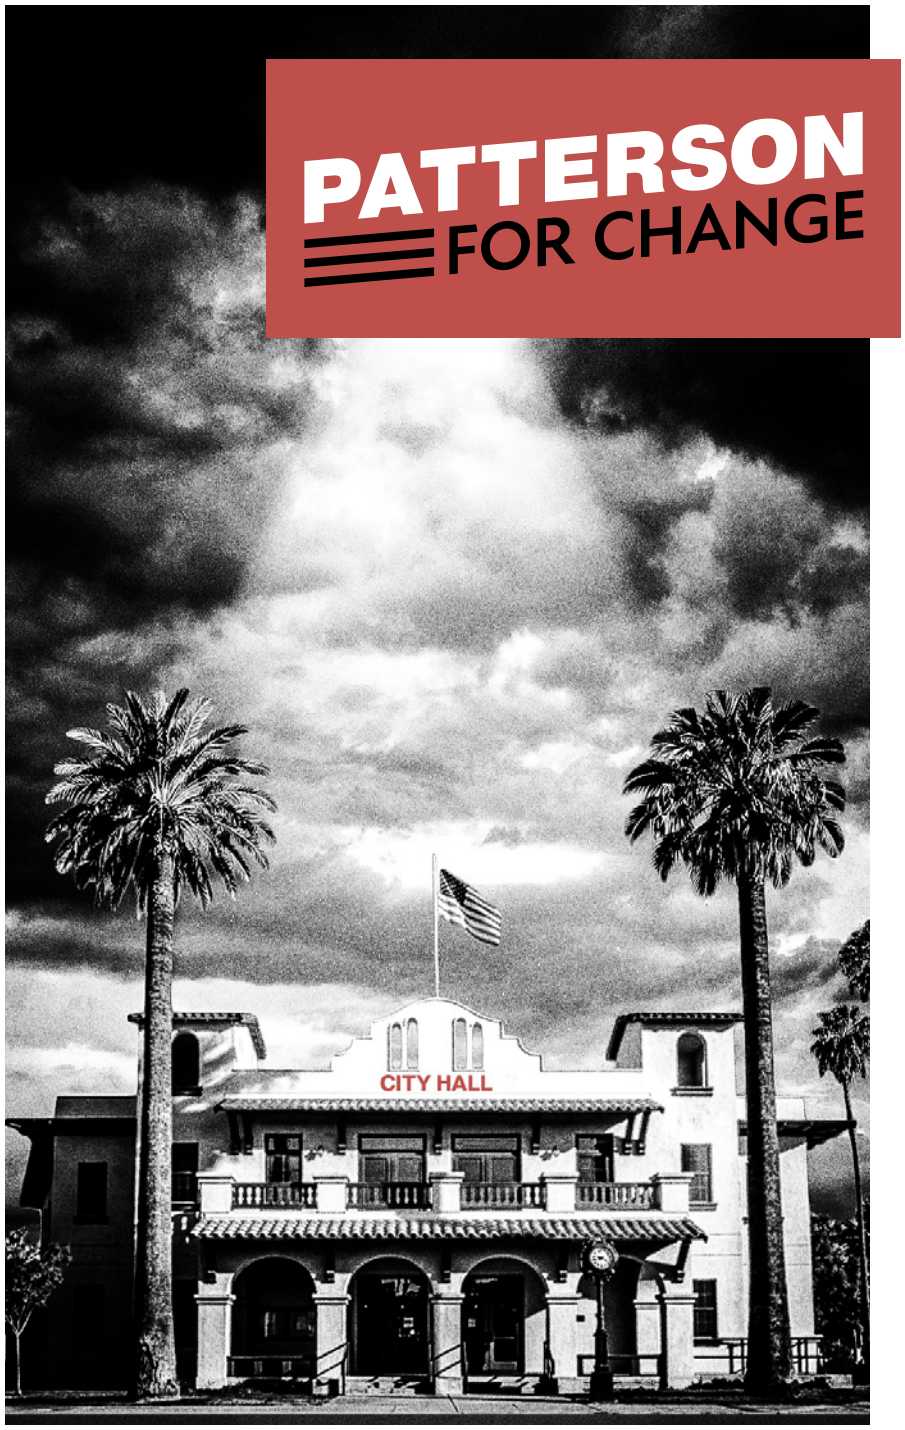
IT'S TIME TO SHINE A LIGHT ON MAYOR CLAUZEL'S RECORD

Can City Hall afford two more years of broken promises?

Mayor Clauzel's campaign claims "Promises Delivered." His record tells a different story:

- ✗ Last fiscal year, the city's legal costs surged to 5x its annual legal budget, and overall legal spending has surpassed **$3 million since December 2024.**
- ✗ Despite this exorbitant spending, Patterson has lost two major legal battles in the past year, often relying on legal advice from an **attorney living part-time in Madrid, Spain.**
- ✗ Residents continue to demand action on chromium-6 levels in the city's water. Meanwhile, the firm serving as city attorney is tied to lucrative lobbying on behalf of the chemical industry.
- ✗ This month, the **City Council formally reprimanded Mayor Clauzel** after an independent investigation found him to be engaged in inappropriate conduct with city employees.
- ✗ **Councilmember Romero abruptly resigned** and raised serious allegations about city processes, personnel decisions, public contracts, and confidentiality.
- ✗ Patterson was 1 of 15 California cities denounced by the Governor for violating state housing laws, **exposing the city to millions in penalties.**
- ✗ Major infrastructure projects, including new recreation facilities, remain unfinished despite promises to prioritize them.



Patterson Deserves Better.

For too long, Patterson residents have watched City Hall become defined by dysfunction, costly legal battles and a lack of transparency.

The city desperately needs a new mayor who will treat people with respect, follow the law, protect taxpayer dollars, and support the services families need.
