

A person with long blonde hair tied in a ponytail, wearing a blue baseball cap and a black jacket, is seen from behind. They are carrying a large black backpack with a red side pocket and are holding trekking poles. The background shows a vast, mountainous landscape under a cloudy sky. The text 'UNDER30EXPERIENCES' is overlaid in a large, white, brush-stroke font.

"U30X is such an amazing travel community. Once your trip is over, the experience is not. They keep in touch with their alumni & provide platforms for travel questions, personal development, & community connections in your own backyard! If you're a young person looking to travel I highly recommend U30X!"

"There are not enough ways for me to describe how amazing this company is. After my first trip I always told people, it wasn't about the location, but the experience that u30x gave me."
