Seller's comments	A reliable, sturdy boat, in 2025 beat the world record for the fastest female pair by 6 days and won the women's trophy. The boat has been well looked after, there are a couple of superficial marks that we will commission fixes on when purchase is agreed. On purchase the seller will commission an independent structural survey so that the purchaser has the reassurance that the boat they receive is of sound quality.
Asking price (includes loose equipment listed below)	£45,000.00
