

Accelerate your impact

Build the Leadership Capacity Your Organization Needs

INSIGHT
Know yourself. Know your world.

- + **Behavioral Assessment**
> Deepen self-awareness and understanding of team members' behavioral drives, eliminate potential friction, and design processes to unlock top performance
- + **360 Evaluation**
> Gain a clear, candid picture of how you lead through structured feedback from peers, direct reports, and supervisors
- + **Organizational Analysis**
> Gain a clear, candid picture of how you lead through structured feedback from peers, direct reports, and supervisors

1

DEVELOP
Think big.

- + **High-Performing Team Retreat**
> Two days focused on building the trust, connection, and shared purpose that define great teams along with essential skill development in areas like change management and strategic thinking
- + **Executive Coaching**
> Each participant receives six 6 hours of dedicated one-on-one coaching to accelerate personal growth after the retreat

2

IMPACT
Work hard.

- + **A Resilient Team**
> Leaders share direction and understanding — both as individuals and as a unified force — poised for serious growth.
- + **360 Pulse survey to measure progress 90 days after program concludes**

3

Designed for leadership teams that want to grow individually and as a collective force.
