

THE SOMERS RECAP

THIS WEEK IN SOMERS

AROUND TOWN

On Thursday, March 26, the **Somers Chamber of Commerce** hosted a ribbon-cutting ceremony for the new **Somers Self Storage**. Congratulations to the **DiNardo family** for their continued investment in Somers, consistently keeping the best interests of our community in mind. This latest project reflects the kind of thoughtful, well-planned development that aligns with the character of our town and serves the needs of our residents.

TOWN UPDATES

- One of the best parts of this job is connecting with the next generation. This week, I met with members of **Pack 1 Webelos** to talk about all things Somers — from our town's history to how local government works and what it means to be a good citizen. Their questions were thoughtful and impressive — and we even got a few great ones from the parents.
- As we move into the spring season, our **Highway, Parks & Recreation, and Water & Sewer Departments** are actively transitioning to seasonal operations. Crews are focused on roadway maintenance, preparing parks and fields, and ensuring our infrastructure and services are ready for the months ahead.

PROJECTS & PROGRESS

Culvert repairs on **Route 202 and Warren Street** are scheduled to begin this summer. We recently met with representatives from **Police, Fire, the Somers Central School District, Highway, town engineers, and Heritage Hills** to review the project, discuss potential travel impacts, and identify ways to minimize disruption for residents. In the coming weeks, we will meet with the **NYS DOT** to **advocate for adjustments and solutions that reduce impact and keep traffic moving as efficiently as possible.**

A NOTE FROM THE SUPERVISOR

— **Rob Scorrano**
Supervisor,
Town of Somers

Tomorrow at **6:00 PM**, a vigil will be held at **Jack DeVito Field in Yorktown** for **Sheridan Gorman**, a young woman whose life was taken by an act of violence. In moments like these, we are reminded of the strength of community — coming together to support one another and to stand with the Gorman family. I encourage anyone who can attend to join in showing unity and support for our neighbors.

QUOTE OF THE WEEK
