

THE SOMERS RECAP

THIS WEEK IN SOMERS

AROUND TOWN

This past Tuesday, I had the opportunity to spend some time with a local **Girl Scout** who requested to shadow the Supervisor. During her visit, we toured the **Elephant Hotel** and talked about the history of Somers and the day-to-day responsibilities of the role. She asked thoughtful questions — and even a few fun ones, including my favorite animal (a red-tailed hawk). She also had the chance to sit in my chair in the meeting room where we conduct town business. The smile on her face in the photo is priceless. It's always great to see young residents take an interest in their community — our future leaders in the making.

PROJECTS & PROGRESS

- Improvements to the **Wright Reis Homestead** continue as we work to preserve and enhance one of Somers' most valued community spaces. We're grateful for support from **Assemblyman Matt Slater's office**, which has secured **\$50,000 in funding** to help advance these efforts. In the coming months, we will be forming a **"Friends of the Wright Reis Homestead"** group to support additional fundraising and help restore and maintain this important property for future generations. These efforts will ensure the Homestead remains a place for residents to gather, enjoy open space, and stay connected to the character of Somers.

A NOTE FROM THE SUPERVISOR

— **Rob Scorrano**
Supervisor,
Town of Somers

Residents may notice that the **Westchester County portion of their property tax bill has increased by over 9% compared to last year**. This underscores the importance of responsible budgeting, and why the Town of Somers continues to remain **under the tax cap** while maintaining essential services.
