

THE SOMERS RECAP

THIS WEEK IN SOMERS

TOWN UPDATES

• On Tuesday, **Supervisor Rob Scorrano** and **Highway Superintendent Nick DeVito** met with municipal officials from **Westchester and Putnam Counties**, along with **NYSEG**, for an operations and service update. AROUND TOWN

• This week, the **Somers Chamber of Commerce** hosted a ribbon-cutting for **Focal Physical Therapy**, welcoming a new business to our community. It's especially meaningful to see **Somers High School graduates** return, invest in our town, and give back. Supporting local businesses like this strengthens our economy and helps keep Somers thriving.

• This Saturday, **Somers Partners in Prevention** will host **Medication Take Back Day** at the **Somers Police Department (100 Primrose Street)** from **9:00 AM to 1:00 PM**. Residents are encouraged to safely dispose of unused or expired medications, along with vapes, e-cigarettes, and sharps. This is an important effort to protect both public safety and the environment. Donations of non-perishable items for the **St. Luke's Food Pantry** will also be accepted.

A NOTE FROM THE SUPERVISOR

— **Rob Scorrano**
Supervisor, Town of Somers

What makes a community strong isn't one big moment — it's the steady, daily work taking place across our town, whether in infrastructure, public safety, or the services residents rely on. Our focus is clear: make thoughtful decisions, stay responsible, and continue moving forward for the benefit of the entire community.

QUOTE OF THE WEEK
