The celebration begins at **5:00 PM** and features something for everyone, including family games, live music by **Pork Chop Express**, the **Somers Lions Club BBQ**, Sapori di Napoli Food Truck, a hot dog eating contest, a community reading of the **Declaration of Independence**, and a special watch party as **Team USA** competes in the **FIFA World Cup**. The evening will conclude with a spectacular fireworks display.

### PROJECTS & PROGRESS

Even during the summer months, Town departments continue working behind the scenes to maintain and improve the infrastructure residents rely on every day. From roads and drainage to parks and public facilities, these ongoing efforts help keep Somers safe, attractive, and well maintained. Every improvement, large or small, helps preserve the quality of life our residents expect and ensures our infrastructure serves the community for years to come.

### TOWN UPDATES

- The **Route 202/Warren Street Culvert Replacement Project** is scheduled to begin on **Monday, June 29**.

As a reminder, **Route 202 will only be closed between Firemen's Field and Somers Middle School**. Through traffic will be detoured around the construction zone. Please follow all posted detour routes and traffic signage to help ensure safe and efficient travel.

- **Temporary Traffic Notice – Lovell Street**

To improve safety during the culvert replacement project, the Town Highway Department has installed temporary stop signs on **Lovell Street**, approximately 50 feet north and south of **Westridge Drive**. These temporary traffic controls are expected to remain in place through the duration of the project, with completion anticipated in **late August**. Motorists are reminded to obey all posted traffic signs, reduce their speed, and use extra caution when traveling through the area.
