

THE SOMERS RECAP

THIS WEEK IN SOMERS

AROUND TOWN

Last night's **250th Anniversary of American Independence Celebration** at Reis Park was everything a small-town celebration should be.

On a beautiful hot summer evening, an estimated **2,000 residents** gathered with family, friends, and neighbors to celebrate our nation's birthday. Children played games, families enjoyed great food and music, residents cheered as **Team USA advanced in the FIFA World Cup**, and the evening concluded with an incredible **20-minute fireworks display** that lit up the skies over Somers.

For a few hours, neighbors became friends, old friends reunited, and our community came together to celebrate what makes both America and Somers so special.

PROJECTS & PROGRESS

One of the Town Board's priorities has always been creating opportunities for residents to come together. While infrastructure and municipal services remain essential, building a strong community is just as important. Events like our **Independence Day Celebration** strengthen neighborhood connections, support local organizations, and create traditions that families enjoy year after year. Last night's celebration was a reminder that investing in community is every bit as valuable as investing in our roads, parks, and public facilities.

TOWN UPDATES

Events like this don't happen without an incredible team effort. A heartfelt thank you to the many volunteers and organizations who helped make the evening such a success, including the **Somers Lions Club, Parks and Recreation Dept, Highway Dept, Somers Police Dept, Somers Volunteer Fire Dept, Somers Chamber of Commerce, Pork Chop Express**, our fireworks vendor, and the many Town employees and volunteers who worked behind the scenes before, during, and after the event. Your dedication, planning, and countless volunteer hours created a memorable evening for thousands of residents.

A NOTE FROM THE SUPERVISOR

— **Rob Scorrano**
Supervisor,
Town of Somers

Last night reminded me why I love serving this community.

Standing in Reis Park and seeing thousands of residents enjoying a summer evening together, watching children laugh, families reconnect, neighbors visit, and everyone proudly celebrating our country is what small-town America is all about.

Thank you to everyone who attended, volunteered, sponsored, and worked to make the evening possible. This is Somers at its very best, and I'm grateful to be a small part of it.

Happy Independence Day to you and your family.
