

THE SOMERS RECAP

THIS WEEK IN SOMERS

PROJECTS & PROGRESS | REIS PARK UPDATE

The Town has executed its professional services agreement with BBS to advance the planned improvements at Reis Park. The agreement allows the next phase of design and engineering work to move forward for a project that includes two turf fields, six pickleball courts, a splash pad, a comfort station, LED lighting throughout the park, and other recreational improvements. This is a professional services agreement, not a construction contract.

What this means for residents: The Town is advancing the design of the proposed improvements. Construction will require a separate competitive bidding process, and no construction contract has been awarded.

INSIDE TOWN HALL | PREPARING THE 2027 BUDGET

Much of this week was dedicated to the 2027 Town Budget, as the Town Board held hearings with department heads.

These meetings allow Board members to hear directly from each department about its operations, financial needs, and priorities for the coming year. They also provide an opportunity to question requests and better understand the services residents rely on.

These are starting points, not final spending decisions. As the budget moves through additional reviews, requests may be adjusted, reduced, or reconsidered before adoption.

What this means for residents: Department budgets are requests, not approvals. Each proposal will be reviewed alongside the Town's overall financial picture, with the goal of maintaining essential services while being mindful of the cost to taxpayers.

THE WORK BEHIND WHAT COMES NEXT

Not every important week in Somers comes with a ribbon cutting or a completed project.

Sometimes the work happens behind the scenes, reviewing budgets, asking questions, and preparing projects for their next phase.

This week, two priorities were front and center: the 2027 Town Budget and the future of Reis Park.

UPCOMING EVENTS

- **Bulk Refuse Drop-Off**
October 17, 2026 – November 14, 2026
- **Westchester County Mobile Shredder**
Tuesday, October 20, 2026, 10:00am-1:00pm

Saturday, October 24, 2026, 9:00am-1:00pm
- **Somers Women's Club Autumn Sale**
Sunday, October 25, 2026, 9:00am-4:00pm

A NOTE FROM THE SUPERVISOR

— **Rob Scorrano**
Supervisor, Town of Somers

Every department has responsibilities, every request has a purpose, and every dollar comes from somewhere. Preparing a Town budget means looking at the whole picture. Some needs are immediate, others can wait, and not every request can be funded. Finding that balance is one of the most important responsibilities we have. There's more work ahead as we prepare the 2027 budget, and I look forward to keeping residents informed along the way.

Have a great weekend, Somers!
