STAY INFORMED | SIGN UP FOR CODERED

Wondering how to find out about Town events, important updates or local announcements? The Town wants to keep residents informed about what's happening in Somers, from community events to important news and updates. Signing up for CodeRED is an important way to receive information directly and stay connected.

The Town of Somers uses the CodeRED By Crisis 24 Notification System to provide residents with:

- Emergency notifications and weather alerts by phone, text message and email.
- Email notifications for Town news and announcements, including information about upcoming events.
- Email notifications for Town Board, Planning Board and Zoning Board meeting agendas.

Please take a moment to register: Visit www.somersny.gov and click the [CodeRED icon](#). If you are already registered, review your contact information and notification preferences to ensure they are current. Residents are also encouraged to visit the Town website regularly for news, upcoming events and community information.

Help spread the word by encouraging family, friends and neighbors to sign up. Staying informed starts with staying connected!

OCTOBER | DOMESTIC VIOLENCE AWARENESS MONTH

October is Domestic Violence Awareness Month, an opportunity to raise awareness, support survivors and recognize the role we all play in building safer communities. By encouraging conversations about healthy relationships and available support, we can help ensure that those affected by abuse know they are not alone.

In recognition of the month, New Dawn Family Resource Center invites Somers residents to "Healthy Relationships, Safer Families, Stronger Communities: A Community Conversation on Domestic Violence and Teen Relationships." The event will take place on Wednesday, October 28, 2026, from 10am to noon at the North Salem Courthouse, 66 June Rd, North Salem. The gathering will bring together advocates, educators, local leaders and neighbors to discuss domestic violence, healthy teen relationships and available community support.

A NOTE FROM THE SUPERVISOR

Early voting for the General Election begins Saturday, October 24, and continues through Sunday, November 1,

— **Rob Scorrano**
Supervisor,
Town of Somers

2026. For early voting, residents can vote locally at the Somers Town House, 335 Route 202 or at any early voting site in Westchester County.

I encourage all registered voters to make a plan to vote, whether during early voting or on Election Day, Tuesday, November 3.

Participating in our elections is an important opportunity to have your voice heard.

Get out there and vote, Somers!
